2. The depositor's entire interest in the custodial account must be, or begin to be, distributed not later than the depositor's required beginning date, April 1 following the calendar year in which the depositor reaches age 70½. By that date, the depositor may elect, in a manner acceptable to the custodian, to have the balance in the custodial account distributed in: (a) A single sum or (b) Payments over a period not longer than the life of the depositor or the joint lives of the depositor and his or her designated beneficiary.
3. If the depositor dies before his or her entire interest is distributed to him or her, the remaining interest will be distributed as follows:

- (a) If the depositor dies on or after the required beginning date and:
 - (i) the designated beneficiary is the depositor's surviving spouse, the remaining interest will be distributed over the surviving spouse's life expectancy as determined each year until such spouse's death, or over the period in paragraph (a)(iii) below if longer. Any interest remaining after the spouse's death will be distributed over such spouse's remaining life expectancy as

determined in the year of the spouse's death and reduced by one for each subsequent year, or, if distributions are being made over the period in paragraph (a)(iii) below, over such period.

- (ii) the designated beneficiary is not the depositor's surviving spouse, the remaining interest will be distributed over the beneficiary's remaining life expectancy as determined in the year following the death of the depositor and reduced by one for each subsequent year, or over the period in paragraph (a)(iii) below if longer.
 - (iii) there is no designated beneficiary, the remaining interest will be distributed over the remaining life expectancy of the depositor as determined in the year of the depositor's death and reduced by one for each subsequent year.
- (b) If the depositor dies before the required beginning date, the remaining interest will be distributed in accordance with paragraph (i) below or, if elected or there is no designated beneficiary, in accordance with paragraph (ii) below.
 - (i) The remaining interest will be distributed in accordance with paragraphs (a)(i) and (a)(ii) above (but not over the period in paragraph (a)(iii), even if longer), starting by the end of the calendar year following the year of the depositor's death. If, however, the designated beneficiary is the depositor's surviving spouse, then this distribution is not required to begin before the end of the calendar year in which the depositor would have reached age 70½. But, in such case, if the depositor's surviving spouse dies before distributions are required to begin, then the remaining interest will be distributed in accordance with paragraph (a)(ii) above (but not over the period in paragraph (a)(iii), even if longer), over such spouse's designated beneficiary's life expectancy, or in accordance with paragraph (ii) below if there is no such designated beneficiary.
 - (ii) The remaining interest will be distributed by the end of the calendar year containing the fifth anniversary of the depositor's death.
 4. If the depositor dies before his or her entire interest has been distributed and if the designated beneficiary is not the depositor's surviving spouse, no additional contributions may be accepted in the account.
 5. The minimum amount that must be distributed each year, beginning with the year containing the depositor's required beginning date, is known as the "required minimum distribution" and is determined as follows.
 - (a) The required minimum distribution under paragraph 2(b) for any year, beginning with the year the depositor reaches age 70½, is the depositor's account value at the close of business on December 31 of the preceding year divided by the distribution period in the uniform lifetime table in Regulations section 1.401(a)(9)-9. However, if the depositor's designated beneficiary is his or her surviving spouse, the required minimum distribution for a year shall not be more than the depositor's account value at the close of business on December 31 of the preceding year divided by the number in the joint and last survivor table in Regulations section 1.401(a)(9)-9. The required minimum distribution for a year under this paragraph (a) is determined using the depositor's (or, if applicable, the depositor and spouse's) attained age (or ages) in the year.

- (b) The required minimum distribution under paragraphs 3(a) and 3(b)(i) for a year, beginning with the year following the year of the depositor's death (or the year the depositor would have reached age 70½, if applicable under paragraph 3(b)(i)) is the account value at the close of business on December 31 of the preceding year divided by the life expectancy (in the single life table in Regulations section 1.401(a)(9)-9) of the individual specified in such paragraphs 3(a) and 3(b)(i).
 - (c) The required minimum distribution for the year the depositor reaches age 70½ can be made as late as April 1 of the following year. The required minimum distribution for any other year must be made by the end of such year.
6. The owner of two or more Traditional IRAs may satisfy the minimum distribution requirements described above by taking from one Traditional IRA the amount required to satisfy the requirement for another in accordance with the regulations under section 408(a)(6).

ARTICLE V

1. The depositor agrees to provide the custodian with all information necessary to prepare any reports required by section 408(i) and Regulations sections 1.408-5 and 1.408-6.
2. The custodian agrees to submit to the Internal Revenue Service (IRS) and depositor the reports prescribed by the IRS.

ARTICLE VI

Notwithstanding any other articles which may be added or incorporated, the provisions of Articles I through III and this sentence will be controlling. Any additional articles inconsistent with section 408(a) and the related regulations will be invalid.

ARTICLE VII

This agreement will be amended as necessary to comply with the provisions of the Code and the related regulations. Other amendments may be made with the consent of the persons whose signatures appear on the application.

ARTICLE VIII

- 8.01 **Definitions** – In this part of this agreement (Article VIII), the words “you” and “your” mean the inherited IRA owner. The words “we,” “us,” and “our” mean the custodian. The words “inherited IRA owner” mean the individual establishing this inherited IRA with either a direct rollover contribution from an eligible inherited employer-sponsored retirement plan or a transfer from an inherited IRA. The word “Code” means the Internal Revenue Code, and “regulations” means the Treasury regulations.
- 8.02 **Notices and Change of Address** – Any required notice regarding this inherited IRA will be considered effective when we send it to the intended recipient at the last address that we have in our records. Any notice to be given to us will be considered effective when we actually receive it. You, or the intended recipient, must notify us of any change of address.
- 8.03 **Representations and Responsibilities** – You represent and warrant to us that any information you have given or will give us with respect to this agreement is complete and accurate. Further, you agree that any directions you give us or action you take will be proper under this agreement, and that we are entitled to rely upon any such information or directions. If we fail to receive directions from you regarding any transaction, if we receive ambiguous directions regarding any transaction, or if we, in good faith, believe that any transaction requested is in dispute, we reserve the right to take no action until further clarification acceptable to us is received from you or the appropriate government or judicial authority. We will not be responsible for losses of any kind that may result from

your directions to us or your actions or failures to act, and you agree to reimburse us for any loss we may incur as a result of such directions, actions, or failures to act. We will not be responsible for any penalties, taxes, judgments, or expenses you incur in connection with your inherited IRA. We have no duty to determine whether your contributions or distributions comply with the Code, regulations, rulings, or this agreement.

We may permit you to appoint, through written notice acceptable to us, an authorized agent to act on your behalf with respect to this agreement (e.g., attorney-in-fact, executor, administrator, investment manager), but we have no duty to determine the validity of such appointment or any instrument appointing such authorized agent. We will not be responsible for losses of any kind that may result from directions, actions, or failures to act by your authorized agent, and you agree to reimburse us for any loss we may incur as a result of such directions, actions, or failures to act by your authorized agent.

You will have 60 days after you receive any documents, statements, or other information from us to notify us in writing of any errors or inaccuracies reflected in these documents, statements, or other information. If you do not notify us within 60 days, the documents, statements, or other information will be deemed correct and accurate, and we will have no further liability or obligation for such documents, statements, other information, or the transactions described therein.

By performing services under this agreement we are acting as your agent. You acknowledge and agree that nothing in this agreement will be construed as conferring fiduciary status upon us. We will not be required to perform any additional services unless specifically agreed to under the terms and conditions of this agreement, or as required under the Code and the regulations promulgated thereunder with respect to inherited IRAs. You agree to indemnify and hold us harmless for any and all claims, actions, proceedings, damages, judgments, liabilities, costs, and expenses, including attorney's fees arising from or in connection with this agreement.

To the extent written instructions or notices are required under this agreement, we may accept or provide such information in any other form permitted by the Code or applicable regulations including, but not limited to, electronic communication.

- 8.04 **Disclosure of Account Information** – We may use agents and/or subcontractors to assist in administering your inherited IRA. We may release nonpublic personal information regarding your inherited IRA to such providers as necessary to provide the products and services made available under this agreement, and to evaluate our business operations and analyze potential product, service, or process improvements.
- 8.05 **Service Fees** – We have the right to charge an annual service fee or other designated fees (e.g., a transfer, rollover, or termination fee) for maintaining your inherited IRA. In addition, we have the right to be reimbursed for all reasonable expenses, including legal expenses, we incur in connection with the administration of your inherited IRA. We may charge you separately for any fees or expenses, or we may deduct the amount of the fees or expenses from the assets in your inherited IRA at our discretion. We reserve the right to charge any additional fee after giving you 30 days' notice. Fees such as subtransfer agent fees or commissions may be paid to us by third parties for assistance in performing certain transactions with respect to this inherited IRA.

Any brokerage commissions attributable to the assets in your inherited IRA will be charged to your inherited IRA. You cannot reimburse your inherited IRA for those commissions.

8.06 Restrictions on Contributions to the Inherited IRA – Your inherited IRA may receive multiple rollover contributions from inherited qualified retirement plans, 403(a) annuity plans, 403(b) tax-sheltered annuity plans, or 457(b) governmental deferred compensation plans, or multiple transfers from inherited Traditional IRAs. In order to combine these inherited retirement assets in the same inherited IRA, you must have inherited the assets from the same owner and they must have been subject to the same beneficiary payment elections and calculation methods as under the receiving inherited IRA. You may not make regular contributions to this inherited IRA.

8.07 Investment of Amounts in the Inherited IRA – You have exclusive responsibility for and control over the investment of the assets of your inherited IRA. All transactions will be subject to any and all restrictions or limitations, direct or indirect, that are imposed by our charter, articles of incorporation, or bylaws; any and all applicable federal and state laws and regulations; the rules, regulations, customs, and usages of any exchange, market, or clearing house where the transaction is executed; our policies and practices; and this agreement. After your death, your successor beneficiaries will have the right to direct the investment of your inherited IRA assets, subject to the same conditions that applied to you during your lifetime under this agreement (including, without limitation, Section 8.03 of this article). We will have no discretion to direct any investment in your inherited IRA. We assume no responsibility for rendering investment advice with respect to your inherited IRA, nor will we offer any opinion or judgment to you on matters concerning the value or suitability of any investment or proposed investment for your inherited IRA. In the absence of instructions from you, or if your instructions are not in a form acceptable to us, we will have the right to hold any uninvested amounts in cash, and we will have no responsibility to invest uninvested cash unless and until directed by you. We will not exercise the voting rights and other shareholder rights with respect to investments in your inherited IRA unless you provide timely written directions acceptable to us.

You will select the investment for your inherited IRA assets from those investments that we are authorized by our charter, articles of incorporation, or bylaws to offer and do in fact offer for inherited IRAs (e.g., term share accounts, passbook accounts, certificates of deposit, money market accounts). We may in our sole discretion make available to you additional investment offerings, which will be limited to publicly traded securities, mutual funds, money market instruments, and other investments that are obtainable by us and that we are capable of holding in the ordinary course of our business.

8.08 Successor Beneficiaries – We may allow you, if permitted by state law, to name successor beneficiaries for your inherited IRA. This designation can only be made on a form provided by or acceptable to us, and it will only be effective when it is filed with us during your lifetime. Each inherited IRA beneficiary designation form that you file with us will cancel all previous designations. The consent of a successor beneficiary will not be required for you to revoke a successor beneficiary designation. If you do not designate a successor beneficiary, your estate will be the successor beneficiary. In no event will the successor beneficiary be able to extend the distribution period beyond that required for you.

If we so choose, for any reason (e.g., due to limitations of our charter or bylaws), we may require that a successor beneficiary take total distribution of all IRA assets by December 31 of the year following the year of death.

8.09 Required Minimum Distributions – You are required to take minimum distributions from your inherited IRA. The options available to you as a beneficiary of a deceased plan participant or deceased IRA owner are described in Article IV, section three.

8.10 Termination of Agreement, Resignation, or Removal of Custodian – Either party may terminate this agreement at any time by giving written notice to the other. We can resign as custodian at any time effective 30 days after we send written notice of our resignation to you. Upon receipt of that notice, you must make arrangements to transfer your inherited IRA to another financial organization. If you do not complete a transfer of your inherited IRA within 30 days from the date we send the notice to you, we have the right to transfer your inherited IRA assets to a successor inherited IRA trustee or custodian that we choose in our sole discretion, or we may pay your inherited IRA to you in a single sum. We will not be liable for any actions or failures to act on the part of any successor trustee or custodian, nor for any tax consequences you may incur that result from the transfer or distribution of your assets pursuant to this section.

If this agreement is terminated, we may charge to your inherited IRA a reasonable amount of money that we believe is necessary to cover any associated costs, including but not limited to one or more of the following.

- Any fees, expenses, or taxes chargeable against your inherited IRA
- Any penalties or surrender charges associated with the early withdrawal of any savings instrument or other investment in your inherited IRA

If we are a nonbank custodian required to comply with Regulations section 1.408-2(e) and we fail to do so or we are not keeping the records, making the returns, or sending the statements as are required by forms or regulations, the IRS may require us to substitute another trustee or custodian.

We may establish a policy requiring distribution of the entire balance of your inherited IRA to you in cash or property if the balance of your inherited IRA drops below the minimum balance required under the applicable investment or policy established.

8.11 Successor Custodian – If our organization changes its name, reorganizes, merges with another organization (or comes under the control of any federal or state agency), or if our entire organization (or any portion that includes your inherited IRA) is bought by another organization, that organization (or agency) will automatically become the trustee or custodian of your inherited IRA, but only if it is the type of organization authorized to serve as an inherited IRA trustee or custodian.

8.12 Amendments – We have the right to amend this agreement at any time. Any amendment we make to comply with the Code and related regulations does not require your consent. You will be deemed to have consented to any other amendment unless, within 30 days from the date we send the amendment, you notify us in writing that you do not consent.

8.13 Withdrawals or Transfers – All requests for withdrawal or transfer will be in writing on a form provided by or acceptable to us. The method of distribution must be specified in writing or in any other method acceptable to us. The tax identification number of the recipient must be provided to us before we are obligated to make a distribution. Withdrawals will be subject to all applicable tax and other laws and regulations, including but not limited to possible early distribution penalty taxes, surrender charges, and withholding requirements.

8.14 **Transfers From Other Plans** – We can receive amounts transferred to this inherited IRA from the trustee or custodian of another inherited Traditional IRA. In addition, we can accept rollovers of eligible rollover distributions from inherited employer-sponsored retirement plans as permitted by the Code. We reserve the right not to accept any transfer or rollover.

8.15 **Liquidation of Assets** – We have the right to liquidate assets in your inherited IRA if necessary to make distributions or to pay fees, expenses, taxes, penalties, or surrender charges properly chargeable against your inherited IRA. If you fail to direct us as to which assets to liquidate, we will decide, in our complete and sole discretion, and you agree to not hold us liable for any adverse consequences that result from our decision.

8.16 **Restrictions on the Fund** – Neither you nor any successor beneficiary may sell, transfer, or pledge any interest in your inherited IRA in any manner whatsoever, except as provided by law or this agreement.

The assets in your inherited IRA will not be responsible for the debts, contracts, or torts of any person entitled to distributions under this agreement.

8.17 **What Law Applies** – This agreement is subject to all applicable federal and state laws and regulations. If it is necessary to apply any state law to interpret and administer this agreement, the law of our domicile will govern.

If any part of this agreement is held to be illegal or invalid, the remaining parts will not be affected. Neither your nor our failure to enforce at any time or for any period of time any of the provisions of this agreement will be construed as a waiver of such provisions, or your right or our right thereafter to enforce each and every such provision.

GENERAL INSTRUCTIONS

Section references are to the Internal Revenue Code unless otherwise noted.

PURPOSE OF FORM

Form 5305-A is a model custodial account agreement that meets the requirements of section 408(a). However, only Articles I through VII have been reviewed by the IRS. A Traditional individual retirement account (Traditional IRA) is established after the form is fully executed by both the individual (depositor) and the custodian. To make a regular contribution to a Traditional IRA for a year, the IRA must be established no later than the due date of the individual's income tax return for the tax year (excluding extensions). This account must be created in the United States for the exclusive benefit of the depositor and his or her beneficiaries.

Do not file Form 5305-A with the IRS. Instead, keep it with your records.

For more information on IRAs, including the required disclosures the custodian must give the depositor, see Pub. 590-A, *Contributions to Individual Retirement Arrangements (IRAs)*, and Pub. 590-B, *Distributions from Individual Retirement Arrangements (IRAs)*.

DEFINITIONS

Custodian – The custodian must be a bank or savings and loan association, as defined in section 408(n), or any person who has the approval of the IRS to act as custodian.

Depositor – The depositor is the person who establishes the custodial account.

TRADITIONAL IRA FOR NONWORKING SPOUSE

Form 5305-A may be used to establish the IRA custodial account for a nonworking spouse.

Contributions to an IRA custodial account for a nonworking spouse must be made to a separate IRA custodial account established by the nonworking spouse.

SPECIFIC INSTRUCTIONS

Article IV – Distributions made under this article may be made in a single sum, periodic payment, or a combination of both. The distribution option should be reviewed in the year the depositor reaches age 70½ to ensure that the requirements of section 408(a)(6) have been met.

Article VIII – Article VIII and any that follow it may incorporate additional provisions that are agreed to by the depositor and custodian to complete the agreement. They may include, for example, definitions, investment powers, voting rights, exculpatory provisions, amendment and termination, removal of the custodian, custodian's fees, state law requirements, beginning date of distributions, accepting only cash, treatment of excess contributions, prohibited transactions with the depositor, etc. Attach additional pages if necessary.

DISCLOSURE STATEMENT

RIGHT TO REVOKE YOUR INHERITED IRA

You have the right to revoke your inherited IRA within seven days of the receipt of the disclosure statement. If revoked, you are entitled to a full return of the contribution you made to your inherited IRA. The amount returned to you would not include an adjustment for such items as sales commissions, administrative expenses, or fluctuation in market value. You may make this revocation only by mailing or delivering a written notice to the custodian at the address listed on the application.

If you send your notice by first class mail, your revocation will be deemed mailed as of the postmark date.

If you have any questions about the procedure for revoking your inherited IRA, please call the custodian at the telephone number listed on the application.

REQUIREMENTS OF AN INHERITED IRA

- A. **Form of Contribution** – Your contribution must be either a rollover contribution from an eligible inherited employer-sponsored retirement plan or a transfer contribution from an inherited Traditional IRA. Your rollover or transfer contribution may be in cash and/or property.
- B. **Contribution Restrictions** – You may not make regular contributions to your inherited IRA.
- C. **Nonforfeitable** – Your interest in your inherited IRA is nonforfeitable.
- D. **Eligible Custodians** – The custodian of your inherited IRA must be a bank, savings and loan association, credit union, or a person or entity approved by the Secretary of the Treasury.
- E. **Commingle Assets** – The assets of your inherited IRA cannot be commingled with other property except in a common trust fund or common investment fund.
- F. **Life Insurance** – No portion of your inherited IRA may be invested in life insurance contracts.
- G. **Collectibles** – You may not invest the assets of your inherited IRA in collectibles (within the meaning of IRC Sec. 408(m)). A collectible is defined as any work of art, rug or antique, metal or gem, stamp or coin, alcoholic beverage, or other tangible personal property specified by the Internal Revenue Service (IRS). However, specially minted United States gold and silver coins, and certain state-issued coins are permissible investments. Platinum coins and certain gold, silver, platinum, or palladium bullion (as described in IRC Sec. 408(m)(3)) are also permitted as inherited IRA investments.
- H. **Required Minimum Distributions** – You are required to take minimum distributions from your inherited IRA at certain times in accordance with Treasury Regulation 1.408-8. The calculation of the required minimum distribution is based, in part, on determining the original owner's designated beneficiary. A designated beneficiary is determined based on the beneficiaries designated as of the date of the original owner's death, who remain beneficiaries as of September 30 of the year following the year of the original owner's death. Any payment elections you either made or defaulted to under an inherited retirement plan or IRA generally carry over to this inherited IRA. Below is a summary of the inherited IRA distribution rules.

If you fail to remove a required minimum distribution, an additional penalty tax of 50 percent is imposed on the amount of the required minimum distribution that should have been taken but was not. You must file IRS Form 5329 along with your income tax return to report and remit any additional taxes to the IRS.

Death of Original Owner Before January 1, 2020

- 1. If the original IRA owner or employer-sponsored retirement plan participant died
 - (a) on or after the original owner's required beginning date, distributions must be made to you over the longer of your single life expectancy, or the original owner's remaining life expectancy. If the original owner's designated beneficiary was not an individual or qualified trust as defined in the Treasury regulations, the original IRA or employer-sponsored retirement plan will be treated as having no designated beneficiary for purposes of determining the distribution period. If there is no designated beneficiary of the original IRA or employer-sponsored retirement plan, distributions will commence using the original owner's single life expectancy, reduced by one in each subsequent year.
 - (b) before the original owner's required beginning date, the entire amount remaining in the account will, at your election, either
 - (i) be distributed by December 31 of the year containing the fifth anniversary of the original owner's death, or
 - (ii) be distributed over your remaining life expectancy.

If the original IRA owner's or participant's spouse is the sole designated beneficiary, he or she must elect either option (i) or (ii) by the earlier of December 31 of the year containing the fifth anniversary of the original owner's death, or December 31 of the year life expectancy payments would be required to begin. A designated beneficiary of the original owner, other than a spouse who is the sole designated beneficiary, must elect either option (i) or (ii) by December 31 of the year following the year of the original owner's death. If no election is made, the distribution will be calculated in accordance with option (ii). In the case of distributions under option (ii), distributions must commence by December 31 of the year following the year of the original owner's death. Generally, if the original owner's spouse is the designated beneficiary, distributions need not commence until December 31 of the year the original owner would have attained age 72 (70½ if the original owner would have attained 70½ before 2020), if later.

If the original owner's designated beneficiary is not an individual or qualified trust as defined in the Treasury regulations, the original IRA or employer-sponsored retirement plan will be treated as having no designated beneficiaries for purposes of determining the distribution period. If there is no designated beneficiary of the original IRA or employer-sponsored retirement plan, the entire inherited IRA must be distributed by December 31 of the year containing the fifth anniversary of the original owner's death.

If you have inherited a qualified retirement plan, 403(a) annuity, 403(b) tax-sheltered annuity, or 457(b) governmental deferred compensation plan and have either elected or defaulted to payments under the five-year rule, you may change to a life expectancy payment election if, by December 31 of the year following the year of the original owner's death, you remove a life expectancy-based payment before rolling over the remaining assets to your inherited IRA.

2. If you have elected to take life expectancy payments and fail to request your required minimum distribution by December 31, we reserve the right to do any one of the following.
 - (a) Make no distribution until you give us a proper withdrawal request
 - (b) Distribute your entire inherited IRA to you in a single sum payment
 - (c) Determine your required minimum distribution each year based on your life expectancy calculated using the Single Life Expectancy Table, and pay those distributions to you until you direct otherwise

Death of Original Owner On or After January 1, 2020

The entire amount remaining in your account will generally be distributed by December 31 of the year containing the tenth anniversary of the original owner's death unless you are an eligible designated beneficiary or the account has no designated beneficiary for purposes of determining a distribution period. This requirement applies to beneficiaries regardless of whether the original owner died before, on, or after the required beginning date.

If you are an eligible designated beneficiary, the entire amount remaining in your account may be distributed (in accordance with the Treasury Regulations) over your remaining life expectancy (or over a period not extending beyond your life expectancy).

An eligible designated beneficiary is any designated beneficiary who is

- the original owner's surviving spouse,
- the original owner's child who has not reached the age of majority,
- disabled (A physician must determine that your impairment can be expected to result in death or to be of long, continued, and indefinite duration.),
- an individual who is not more than 10 years younger than the original owner, or
- chronically ill (A chronically ill individual is someone who (1) is unable to perform (without substantial assistance from another individual) at least two activities of daily living for an indefinite period due to a loss of functional capacity, (2) has a level of disability similar to the level of disability described above requiring assistance with daily living based on loss of functional capacity, or (3) requires substantial supervision to protect the individual from threats to health and safety due to severe cognitive impairment.)

Note that certain trust beneficiaries (e.g., certain trusts for disabled and chronically ill individuals) may take distribution of the entire amount remaining in the account over the remaining life expectancy of the trust beneficiary.

Generally, life expectancy distributions to an eligible designated beneficiary must commence by December 31 of the year following the year of the original owner's death. However, if the original owner's spouse is the eligible designated beneficiary, distributions need not commence until December 31 of the year the original owner would have attained age 72, if later. If the eligible designated beneficiary is the original owner's minor child, life expectancy payments must begin by December 31 of the year following the year of the original owner's death and continue until the child reaches the age of majority. Once the age of majority is reached, the beneficiary will have 10 years to deplete the account.

If a beneficiary other than a person (e.g., an estate, a charity, or a certain type of trust) is named, the original owner will be treated as having no designated beneficiary of the IRA for purposes of determining the distribution period. If the original owner died before the required beginning date and there is no designated beneficiary of the IRA, the entire IRA must be distributed by December 31 of the

year containing the fifth anniversary of the original owner's death. If the original owner died on or after the required beginning date and there is no designated beneficiary of the IRA, distributions will commence using the original owner's single life expectancy, reduced by one in each subsequent year.

- I. **Waiver of 2020 RMD** – In spite of the general rules described above, you are not required to take a life expectancy payment from your inherited IRA for calendar year 2020. In addition, if the five-year rule applies to your inherited IRA, the five-year period is determined without regard to calendar year 2020. For example, if the original IRA owner died in 2017, your five-year period will end in 2023 instead of 2022.

INCOME TAX CONSEQUENCES OF ESTABLISHING AN INHERITED IRA

- A. **Tax-Deferred Earnings** – The investment earnings of your inherited IRA are not subject to federal income tax until distributions are made (or, in certain instances, when distributions are deemed to be made).
- B. **Taxation of Distributions** – The taxation of inherited IRA distributions depends on whether or not the original IRA owner had ever made nondeductible IRA contributions or after-tax contributions to the employer-sponsored retirement plan. If the original owner had only made deductible IRA contributions or pretax contributions to an employer-sponsored retirement plan, all inherited IRA distribution amounts will be included in income.

If the original owner had ever made nondeductible contributions to any IRA or after-tax contributions to an employer-sponsored retirement plan, the following formula must be used to determine the amount of any inherited IRA distribution excluded from income.

$$\frac{\begin{array}{l} \text{(Aggregate Nondeductible Contributions)} \\ \times \text{ (Amount Withdrawn)} \end{array}}{\text{Aggregate IRA Balance}} = \text{Amount Excluded From Income}$$

NOTE: Aggregate nondeductible contributions include all nondeductible contributions made by the original owner through the end of the year of the distribution that have not previously been withdrawn and excluded from income. Also note that the aggregate IRA balance includes the total balance of all of the original owner's IRAs as of the end of the year of distribution and any distributions occurring during the year.

- C. **Income Tax Withholding** – Any withdrawal from your inherited IRA is subject to federal income tax withholding. You may, however, elect not to have withholding apply to your inherited IRA withdrawal. If withholding is applied to your withdrawal, not less than 10 percent of the amount withdrawn must be withheld.
- D. **Early Distribution Penalty Tax** – No 10 percent early distribution penalty tax will apply to the inherited IRA distribution because the distribution is due to the death of the original owner.
- E. **Rollovers and Transfers** – Your inherited IRA may receive multiple rollover contributions from inherited qualified retirement plans, 403(a) annuity plans, 403(b) tax-sheltered annuity plans, or 457(b) governmental deferred compensation plans, or multiple transfers from inherited Traditional IRAs. In order to combine these inherited retirement assets in the same inherited IRA, you must have inherited the assets from the same owner and they must have been subject to the same beneficiary payment elections and calculation methods as under the receiving inherited IRA. Rollover is a term used to describe a tax-free movement of cash or other property to your inherited IRA from a qualified retirement plan, 403(a) annuity plan, 403(b) tax-sheltered annuity, or 457(b) eligible governmental deferred compensation plan that you have inherited as a beneficiary. The

general rollover and transfer rules are summarized below. These transactions are often complex. If you have any questions regarding a rollover or transfer, please see a competent tax advisor.

1. **Traditional IRA-to-Inherited Traditional IRA Transfers.** Assets you have inherited from a deceased Traditional IRA owner may be transferred to an inherited IRA. A transfer must be done directly between IRAs. You may not take constructive receipt of the assets in a transfer.
2. **Employer-Sponsored Retirement Plan-to-Inherited IRA Rollovers.** If you are a nonspouse beneficiary or the trustee of an eligible type of trust named as the beneficiary of a deceased employer-sponsored retirement plan participant, you may directly roll over any inherited assets eligible for rollover from a qualified retirement plan, 403(a) annuity, 403(b) tax-sheltered annuity, or 457(b) governmental deferred compensation plan to an inherited IRA, as permitted by the IRS. If you are a spouse beneficiary, you may either directly or indirectly roll over assets from an eligible inherited employer-sponsored retirement plan to an inherited IRA. Regardless of the method of rollover, the IRA must be maintained as an inherited IRA, subject to the beneficiary distribution requirements.
3. **Written Election.** At the time you make a rollover to an inherited IRA, you must designate in writing to the custodian your election to treat that contribution as a rollover. Once made, the rollover election is irrevocable.

LIMITATIONS AND RESTRICTIONS

- A. **Deduction of Rollovers and Transfers** – A deduction is not allowed for rollover or transfer contributions to an inherited IRA.
- B. **Gift Tax** – Transfers of your inherited IRA assets to a beneficiary made during your life and at your request may be subject to federal gift tax under IRC Sec. 2501.
- C. **Special Tax Treatment** – Capital gains treatment and 10-year income averaging authorized by IRC Sec. 402 do not apply to inherited IRA distributions.
- D. **Prohibited Transactions** – If you or any successor beneficiary engage in a prohibited transaction with your inherited IRA, as described in IRC Sec. 4975, your inherited IRA will lose its tax-deferred status, and you must include the value of your account in your gross income for that taxable year. The following transactions are examples of prohibited transactions with your inherited IRA. (1) Taking a loan from your inherited IRA (2) Buying property for personal use (present or future) with inherited IRA assets (3) Receiving certain bonuses or premiums because of your inherited IRA.
- E. **Pledging** – If you pledge any portion of your inherited IRA as collateral for a loan, the amount so pledged will be treated as a distribution and will be included in your gross income for that year.

OTHER

- A. **IRS Plan Approval** – Articles I through VII of the agreement used to establish this inherited IRA have been approved by the IRS. The IRS approval is a determination only as to form. It is not an endorsement of the plan in operation or of the investments offered.
- B. **Additional Information** – For further information on IRAs, you may wish to obtain IRS Publication 590-A, *Contributions to Individual Retirement Arrangements (IRAs)*, or Publication 590-B, *Distributions from Individual Retirement Arrangements (IRAs)*, by calling 800-TAX-FORM, or by visiting www.irs.gov on the Internet.

- C. **Important Information About Procedures for Opening a New Account** – To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial organizations to obtain, verify, and record information that identifies each person who opens an account. Therefore, when you open an inherited IRA, you are required to provide your name, residential address, date of birth, and identification number. We may require other information that will allow us to identify you.
- D. **Qualified Charitable Distributions** – If you are age 70½ or older, you may be eligible to take tax-free inherited IRA distributions of up to \$100,000 per year and have these distributions paid directly to certain charitable organizations. Special tax rules may apply. For further detailed information you may obtain IRS Publication 590-B, *Distributions from Individual Retirement Arrangements (IRAs)*, from the IRS or refer to the IRS website at www.irs.gov.
- E. **Coronavirus-Related Distributions (CRDs)** – If you qualify, you may withdraw up to \$100,000 in aggregate from your IRAs and eligible retirement plans as a CRD, without paying the 10 percent early distribution penalty tax. You are a qualified individual if you (or your spouse or dependent) is diagnosed with the COVID-19 disease or the SARS-CoV-2 virus in an approved test; or if you have experienced adverse financial consequences as a result of being quarantined, being furloughed or laid off or having work hours reduced due to such virus or disease, being unable to work due to lack of child care due to such virus or disease, closing or reduced hours of a business owned or operated by you due to such virus or disease, or other factors as determined by the IRS. A CRD must be made on or after January 1, 2020, and before December 31, 2020.

CRDs will be taxed ratably over a three-year period, unless you elect otherwise. If you are a spouse beneficiary, you may repay these distributions over three years beginning with the day following the day a CRD is made. Repayments may be made to your eligible retirement plan or IRA.

An eligible retirement plan is defined as a qualified retirement plan, 403(a) annuity, 403(b) tax-sheltered annuity, 457(b) eligible governmental deferred compensation plan, or an IRA.

IRA INHERITED IRA FINANCIAL DISCLOSURE

The term IRA will be used below to mean Traditional IRA or Roth IRA, unless otherwise specified.

The financial organization should complete the financial disclosure using Method I, Method II, or Method III. If the growth of the inherited IRA can reasonably be projected, use either Method I or Method II. The account values projected using Method I or Method II must be reduced by all applicable fees and penalties. If annual fees are assessed, such as an annual service fee, use Method II. If no projection of growth of the inherited IRA can reasonably be shown, use Method III.

METHOD I Growth can be projected (Do not use Method I if an annual fee is charged. Instead, use Method II for financial projections.)

Your Age on Your Birth Date This Year _____ Length of Time Deposit (If applicable) _____

The charts below give projections of the value of your inherited IRA by showing the amount available at the end of each year. These projections assume an interest rate of .25%, compounded annually. If you have invested your inherited IRA in a time deposit, a loss-of-earnings penalty may be charged against a withdrawal before maturity. A transaction fee may also apply to your inherited IRA.

The Rollover or Transfer chart assumes that a one-time deposit of \$1,000 is made on the first day of the first year.

Indicate the projected account value for each of the years, taking into consideration any applicable loss of earnings penalty or other fees assessed if the inherited IRA owner received a distribution at the end of the year for which the projection is being made. First, circle the year-end projected inherited IRA value that is applicable for each of the first five years. Next, circle the applicable inherited IRA value for the years in which the inherited IRA owner will attain ages 60, 65, and 70. Subtract the inherited IRA owner's age indicated above from 60, 65, and 70 to locate the appropriate number of years (NO. YRS) rows.

Ladies and Gentlemen:

In a letter dated December 9, 2013, your authorized representative requested a written notice of approval that COR Clearing, LLC (Applicant) may act as a passive or non-passive nonbank trustee or nonbank custodian for medical savings accounts established under section 220 of the Internal Revenue Code (Code), nonbank trustee or custodian for health savings accounts established under section 223, a nonbank trustee or custodian for plans qualified under section 401 and accounts described in section 403(b)(7), nonbank trustee or custodian of individual retirement arrangements (IRAs) established under sections 408, 408A, and 530, and as a nonbank custodian of eligible deferred compensation plans described in section 457(b).

Section 220(d)(1)(B) of the Code (dealing with Archer MSA (medical savings accounts)) provides, in pertinent part, that the trustee of a medical savings account must be a bank (as defined in section 408(n)), an insurance company (as defined in section 816), or another person who demonstrates to the satisfaction of the Secretary that the manner in which such person will administer the trust will be consistent with the requirements of this section. Q&A-10 of Notice 96-53, 1996-2 C.B. 219 provides, in pertinent part, that persons other than banks, insurance companies, or previously approved IRA trustees or custodians may request approval to be a trustee or custodian in accordance with the procedures set forth in section 1.408-2(e) of the Income Tax Regulations (Regulations).

Section 223(d)(1)(B) of the Code provides, in pertinent part, that the trustee of a health savings account must be a bank (as defined in section 408(n)), an insurance company (as defined in section 816), or another person who demonstrates to the satisfaction of the Secretary that the manner in which such person will administer the trust will be consistent with the requirements of this section. Section 223(d)(4)(E) provides, in general, that rules similar to section 408(h) (dealing with custodial accounts) also apply to health savings accounts.

Section 401(f)(1) of the Code provides that a custodial account shall be treated as a qualified trust under this section if such custodial account would, except for the fact it is not a trust, constitute a qualified trust under this section. Section 401(f)(2) provides that

the custodian must be a bank (as defined in section 408(n)) or another person who demonstrates to the satisfaction of the Secretary that the manner in which such other person will hold the assets will be consistent with the requirements of section 401 of the Code. Section 401(f) also provides that in the case of a custodial account treated as a qualified trust, the person holding the assets of such account shall be treated as the trustee thereof.

Section 403(b)(7)(A) of the Code requires, in part, that for amounts paid by an employer to a custodial account to be treated as amounts contributed to an annuity contract for his employee, the custodial account must satisfy the requirements of section 401(f)(2). That section also requires, in order for the amounts paid by an employer to be treated as amounts contributed to an annuity contract for his employee, that the amounts are to be invested in regulated investment company stock to be held in the custodial account, and under the custodial account no such amounts may be paid or made available to any distributee before the employee dies, attains age 59 ½, has a severance from employment, becomes disabled (within the meaning of section 72(m)(7)), or in the case of contributions made pursuant to a salary reduction agreement (within the meaning of section 3121(a)(5)(D)), encounters financial hardship.

Section 408(a)(2) of the Code requires that the trustee of an IRA be a bank (as defined in section 408(n)) or such other person who demonstrates to the satisfaction of the Secretary that the manner in which such other person will administer the trust will be consistent with the requirements of section 408.

Section 408(h) of the Code provides that a custodial account shall be treated as a trust if the assets of such account are held by a bank (as defined in section 408(n)) or another person who demonstrates to the satisfaction of the Secretary that the manner in which the person will administer the account will be consistent with the requirements of this section, and if the custodial account would, except for the fact that it is not a trust, constitute an IRA described in section 408(a). Section 408(h) also provides that, in the case of a custodial account treated as a trust by reason of the preceding sentence, the custodian of such account shall be treated as the trustee thereof.

Section 408A of the Code provides, in general, that a Roth IRA shall be treated in the same manner as an individual retirement plan. Section 7701(a)(37)(A) defines an individual retirement plan as an individual retirement account described in section 408(a).

Section 530(b)(1)(B) of the Code (dealing with Coverdell education savings accounts) requires that the trustee of such an account be a bank (as defined in section 408(n)) or another person who demonstrates to the satisfaction of the Secretary that the manner in which that person will administer the trust will be consistent with the requirements of this section or who has so demonstrated with respect to any individual retirement plan.

Section 530(g) of the Code (dealing with Coverdell education savings accounts) provides that a custodial account shall be treated as a trust if the assets of such account are held by a bank (as defined in section 408(n)) or another person who demonstrates, to the satisfaction of the Secretary, that the manner in which he will administer the account will be consistent with the requirements of this section, and if the custodial account would, except for the fact that it is not a trust, constitute an account described in section 530(b)(1). For purposes of title 26, in the case of a custodial account treated as a trust by reason of the preceding sentence, the custodian of such account shall be treated as the trustee thereof.

Section 457(g) of the Code (dealing with eligible deferred compensation plans) provides, in relevant part, that plan assets and income must be held in trust. Section 457(g)(3) provides that custodial accounts and contracts described in section 401(f) shall be treated as trusts under rules similar to the rules under section 401(f). Section 1.457-8(a)(3) provides, in pertinent part, that for purposes of the trust requirements of section 457(g)(1), a custodial account will be treated as a trust if the custodian is a bank, as described in section 408(n), or a person who meets the nonbank trustee requirements of paragraph (a)(3)(ii)(B) of this section, and the account meets the requirements of paragraphs (a)(1) and (2) of this section, other than the requirement that it be a trust. Paragraph (a)(3)(ii)(B) provides that the custodian of a custodial account may be a person other than a bank only if the person demonstrates to the satisfaction of the Commissioner that the manner in which the person will administer the custodial account will be consistent with the requirements of sections 457(g)(1) and (3). To do so, the person must demonstrate that the requirements of section 1.408-2(e)(2)-(6) of the Regulations, relating to nonbank trustees, are met.

The Regulations at section 1.408-2(e) contain the requirements with which one must comply in order to act as a custodian, for purposes of sections 220, 223, 401(f), 403(b)(7), 408(a)(2), 408(h), 408A, 457(b) and 530 of the Code. Section 1.408-2(e)(1) requires a person to file a written application with the Commissioner demonstrating that it meets sections 1.408-2(e)(2) through (6) of the Regulations.

Based on all the information submitted to this office and all the representations made in the application, we have concluded that the Applicant meets the requirements of section 1.408-2(e) of the Regulations, and therefore, it is approved to act as a passive or non-passive nonbank trustee or nonbank custodian for medical savings accounts established under section 220 of the Code, nonbank trustee or custodian for health savings accounts established under section 223, a nonbank trustee or custodian for plans qualified under section 401 and accounts described in section 403(b)(7), nonbank trustee or custodian of individual retirement arrangements (IRAs) established under sections 408, 408A, and 530, and as a nonbank custodian of eligible deferred compensation plans described in section 457(b).

This notice of approval authorizes the Applicant to act as a passive or non-passive custodian. When the Applicant acts as a passive nonbank custodian within the meaning of section 1.408-2(e)(6)(i) of the Regulations, that is, it is authorized only to acquire and hold particular investments specified by the custodial agreement. It may only act as a passive custodian if under the written custodial agreement/trust instrument, it has no discretion to direct investments of the trust (or custodial) funds or any other aspect of the business administration of the trust.

This notice of approval, while authorizing the Applicant to act as a passive or non-passive custodian, does not authorize it to pool accounts in a common investment fund (other than a mutual fund) within the meaning of section 1.408-2(e)(5)(vi) of the Regulations. Section 1.408-2(e)(6)(v) of the Regulations provides that the Applicant may only act as a custodian if it undertakes to act only under trust instruments or custodial agreements that contain a provision to the effect that the grantor is to substitute another trustee or custodian upon notification by the Commissioner that such substitution is required, because the Applicant has failed to comply with the requirements of section 1.408-2(e) of the Regulations or is not keeping such records, or making such returns or rendering such statements as are required by forms or Regulations. For example, one such form is Form 990-T for IRAs that have \$1000 or more of unrelated business taxable income that is subject to tax by section 511(b)(1) of the Code.

Section 1.408-2(e)(6)(iv) of the Regulations requires the Applicant to notify the Commissioner in writing of any change that affects the continuing accuracy of any representation made in its application. Further, the continued approval of the Applicant to act as a nonbank trustee as provided herein depends upon its continued satisfaction of the criteria set forth in section 1.408-2(e) of the Regulations.

This notice of approval is not transferable to any other entity. An entity that is a member of a controlled group of corporations, within the meaning of section 1563(a) of the Code, may not rely on an approval letter issued to another member of the same controlled group. Furthermore, any entity that goes through an acquisition, merger, consolidation or other type of reorganization may not necessarily be able to rely on the approval letter issued to such entity prior to the acquisition, merger, consolidation or other type of reorganization. Such entity may have to apply for a new notice of approval in accordance with section 1.408-2(e) of the Regulations.

This notice of approval constitutes a determination that the Applicant may act as a passive or non-passive custodian as described herein and does not bear upon its capacity to act as a trustee or custodian under any other applicable law. This is not an endorsement of any investment. The Internal Revenue Service does not review or approve investments.

SCHEDULE 15G

Important Information on Penny Stocks

The U.S. Securities and Exchange Commission (SEC) requires your broker to give this statement to you, and to obtain your signature to show that you have received it, before your first trade in a penny stock. This statement contains important information – and you should read it carefully before you sign it, and before you decide to purchase or sell a penny stock.

In addition to obtaining your signature, the SEC requires your broker to wait at least two business days after sending you this statement before executing your first trade to give you time to carefully consider your trade.

Penny stocks can be very risky.

Penny stocks are low-priced shares of small companies. Penny stocks may trade infrequently - which means that it may be difficult to sell penny stock shares once you have them. Because it may also be difficult to find quotations for penny stocks, they may be impossible to accurately price. Investors in penny stock should be prepared for the possibility that they may lose their whole investment.

While penny stocks generally trade over-the-counter, they may also trade on U.S. securities exchanges, facilities of U.S. exchanges, or foreign exchanges. You should learn about the market in which the penny stock trades to determine how much demand there is for this stock and how difficult it will be to sell. Be especially careful if your broker is offering to sell you newly issued penny stock that has no established trading market.

The securities you are considering have not been approved or disapproved by the SEC. Moreover, the SEC has not passed upon the fairness or the merits of this transaction nor upon the accuracy or adequacy of the information contained in any prospectus or any other information provided by an issuer or a broker or dealer.

Information you should get.

In addition to this statement, your broker is required to give you a statement of your financial situation and investment goals explaining why his or her firm has determined that penny stocks are a suitable investment for you. In addition, your broker is required to obtain your agreement to the proposed penny stock transaction.

Before you buy penny stock, federal law requires your salesperson to tell you the “offer” and the “bid” on the stock, and the “compensation” the salesperson and the firm receive for the trade. The firm also must send a confirmation of these prices to you after the trade. You will need this price information to determine what profit or loss, if any, you will have when you sell your stock.

The offer price is the wholesale price at which the dealer is willing to sell stock to other dealers. The bid price is the wholesale price at which the dealer is willing to buy the stock from other dealers. In its trade

with you, the dealer may add a retail charge to these wholesale prices as compensation (called a "markup" or "markdown").

The difference between the bid and the offer price is the dealer's "spread." A spread that is large compared with the purchase price can make a resale of a stock very costly. To be profitable when you sell, the bid price of your stock must rise above the amount of this spread and the compensation charged by both your selling and purchasing dealers. Remember that if the dealer has no bid price, you may not be able to sell the stock after you buy it, and may lose your whole investment.

After you buy penny stock, your brokerage firm must send you a monthly account statement that gives an estimate of the value of each penny stock in your account, if there is enough information to make an estimate. If the firm has not bought or sold any penny stocks for your account for six months, it can provide these statements every three months.

Additional information about low-priced securities - including penny stocks – is available on the SEC's Web site at <http://www.sec.gov/investor/pubs/microcapstock.htm>. In addition, your broker will send you a copy of this information upon request. The SEC encourages you to learn all you can before making this investment.

Brokers' duties and customer's rights and remedies.

Remember that your salesperson is not an impartial advisor - he or she is being paid to sell you stock. Do not rely only on the salesperson, but seek outside advice before you buy any stock. You can get the disciplinary history of a salesperson or firm from NASD at 1-800-289-9999 or contact NASD via the Internet at www.nasd.com. You can also get additional information from your state securities official. The North American Securities Administrators Association, Inc. can give you contact information for your state. You can reach NASAA at (202) 737-0900 or via the Internet at www.nasaa.org

If you have problems with a salesperson, contact the firm's compliance officer. You can also contact the securities regulators listed above. Finally, if you are a victim of fraud, you may have rights and remedies under state and federal law. In addition to the regulators listed above, you also may contact the SEC with complaints at (800) SEC-0330 or via the Internet at help@sec.gov.

There are no account minimums applicable to brokerage accounts. The available investments might be limited based on account size. Cambria acts as a sponsor to one or more wrap programs. Cambria performs its services to Investment Advisory clients in a discretionary manner. Minimum account sizes might be applicable. Please see sections 4 and 7 of our Form ADV Part 2A here: [Form ADV Part 2A Brochure](#)

Brokerage Services	Investment Advisory Services
Monitoring: Cambria can offer additional services to assist you in the development and execution of your investment strategy. Unless it is agreed upon otherwise, Cambria is not obligated to monitor your portfolio or investments on an ongoing basis. This differs from the monitoring involved with Cambria’s Investment Advisory Services. Cambria will deliver or will cause to be delivered account statements to you at least quarterly in paper or electronic format.	Monitoring: Cambria monitors Investment Advisory services account on an ongoing basis. Our monitoring involves reviewing manager performance and individual account performance. As each customer has different needs, we will establish regular review periods to discuss your strategy and investment goals. Investment Advisory services receive more frequent and ongoing monitoring than customers in a brokerage services relationship.
Investment Authority: You may select the investment, or we may recommend investments for your account, but the ultimate investment decision will be yours. This is a non-discretionary relationship. Cambria does not obtain or exercise discretion of brokerage services accounts.	Investment Authority: You can choose an account that allows Cambria to buy and sell investments in your account without asking you in advance (a “ discretionary account ”) or we may give you advice and you decide what investments to buy and sell (a non-discretionary account ”).
Limited Investment Offerings: Cambria offers a full-service approach for exchange listed and OTC securities as well as mutual fund offerings. Access to private placements or other offerings is limited to those products for which Cambria has a selling agreement.	Limited Investment Offerings: Our Investment Advice will cover a limited selection of third-party advisors and/or investments. Other firms could provide advice on a wider range of choices, some of which might have lower costs.

<p><u>Account Minimums and Other Requirements:</u> Cambria does not have a minimum account size or investment amount to establish/maintain a brokerage account/relationship.</p>	<p><u>Account Minimums and Other Requirements:</u> Cambria’s minimum account size varies among the different advisory programs offered. The range of minimum account sizes is between \$10,000 and \$100,000. Smaller accounts may find their performance more negatively impacted by the advisory fees charged than larger accounts. Additionally, Cambria may terminate your account if it falls below a minimum size in which, in Cambria’s sole opinion, is too small to manage effectively. No other conditions exist that would prevent an account from becoming an Advisory account of Cambria.</p>

What fees will I pay?

Brokerage Account Fees	Advisory Account Fees
<p><u>Transaction-based fees.</u> You will pay us a fee every time you buy or sell an investment. This fee, commonly referred to as a commission, is based on the specific transaction and not the value of your account. With stocks or exchange-traded funds this commission is usually recognized as a separate fee.</p> <p>With stocks or exchange-traded funds, this fee is usually a separate commission. With other investments, such as bonds, this fee might be part of the price you pay for the investment (called a “mark-up” or “mark down”). With mutual funds, this fee (typically called a “load”) reduces the value of your investment.</p> <p>Some investments (such as mutual funds and variable annuities) impose additional fees that will reduce the value of your investment over time. Also, with certain investments such as variable annuities, you may have to pay fees such as “surrender charges” to sell the investment.</p>	<p><u>Asset-Based Fees.</u> You will pay an on-going fee at the beginning or end of each quarter or month based on the value of the cash and investments in your advisory account. The amount of the fee paid to Cambria and your financial professional generally does not vary based on the investments in your account. The higher the value of your account the more you will pay us. Cambria, therefore, has an incentive to increase the assets in your account. Additionally, you will pay the quarterly or monthly fee even if no transactions take place in the account.</p> <p>Cambria's fees vary and are negotiable. Please refer to sections 4-8 of our Investment Advisory Brochure Part 2A.</p> <p>Asset-based fees can be more costly than a transaction-based fee if there are infrequent trades in your account. You might prefer an asset-based fee if you want continued monitoring and advice or want someone to make investment decisions on your behalf. Asset-based fees also provide the certainty of a regular fee compared to a fee charged per transaction.</p>

The most common fees that might be applicable to brokerage and advisory accounts are account maintenance fees, mutual fund 12b-1 fees, minimum account balance fees and account service fees. Please discuss these fees with your representative when establishing a relationship with Cambria.

- **Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?**

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

For additional information, Broker dealer customers can refer to our schedule of fees and costs (www.cambriacapital.com/fees). Investment Advisory clients can refer to our Brochure (<https://adviserinfo.sec.gov/firm/brochure/133760>)

What are your legal obligations to me when providing recommendations as my broker-dealer or when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we provide you with a recommendation as your broker-dealer or act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the recommendations we provide you.

Here are some examples to help you understand what this means.

We have an affiliate relationship with Digital Offering, LLC who acts as the Broker-Dealer Manager of certain investments offered to our broker dealer customers. We could indirectly benefit from this relationship.

We work and share fees with third-party money managers who provide advisory service to our Investment Advisory customers. The fees shared with the third-party managers varies based on negotiations. We might have an incentive to select or refer a manager with a lower fee sharing agreement to act as the advisor on your account.

For additional information, please refer to our Brochure ([Form ADV Part 2A Brochure](#)) or our company Website (www.cambriacapital.com) under Products and Services, Our Solutions and Investment Banking.

How do financial professionals make money?

Brokerage Account Compensation	Advisory Account Compensation
The firm and its representatives are primarily compensated by commissions charged on the transactions in your account. Our representatives can receive higher levels of compensation based on the amount of assets they manage, the amount of commissions charged and the types of products sold. Some investment products involve compensation paid by the sponsor or issuer of the securities and might be higher than the commission for other investment products available to you. At times we might provide an incentive to representatives to increase their assets under management.	The firm and its representatives are primarily paid by the fees charged on your account. In a non-wrap program the representative might also be paid a transaction based commission on the investments bought and sold for your account. The fees charged to your account might also include a fee to a third-party manager. We might negotiate a lower fee for the third-party manger resulting in higher fees paid to us and your representative.

14. **Governing and Applicable Law.** This Agreement and all transactions made in My account shall be governed by the laws of the State of New York, (regardless of the choice of law rules thereof) except to the extent governed by federal securities law, the Federal Arbitration Act, and to the constitution, rules, regulations, customs and usage of the exchanges or market (and its clearing house) where executed.
15. **Ratification; Sub-Brokers and Agents; Extraordinary Events; Indemnification.** You may employ sub-brokers or other agents in connection with the execution of any order or the consummation of any other transaction hereunder, and You shall be responsible only for reasonable care in their selection. I understand that You shall not be liable for loss caused directly or indirectly by government restrictions, exchange or market rulings, suspension of trading, war, strikes, natural disasters or any other conditions or causes beyond Your control or anticipation, including, but not limited to, delays in the transmission of orders due to breakdown or failure of transmission or communication facilities. I agree to indemnify and hold You harmless from any loss, damage or liability arising out of any transaction in which You act, directly or indirectly, as My agent, absent any willful or grossly negligent conduct by You.
16. **Mutual Fund Transactions.** In the event that I purchase or hold a mutual fund, I agree to read and understand the terms of its prospectus. I understand that certain mutual funds reserve the right to change their purchasing, switching or redemption procedures and/or suspend or postpone redemptions under certain market conditions. I further understand that any mutual fund order entered with You is placed by You on a best efforts basis as prescribed and recognized by the individual fund, and that You are not responsible for unexecuted orders due to the failure of any communication system. I agree to be fully responsible for the information contained within the mutual fund prospectus and to hold You harmless for any deficiencies contained therein. I authorize You to act as My agent in the purchase and redemption of fund shares.
17. **Joint Account Authorization.** In consideration of Your carrying a joint account for the persons identified as the account holders, we jointly and severally agree to be fully and completely responsible and liable for this account and to pay on demand any balance due. Each of us, or any person authorized to act on behalf of the account under a separate agreement, has full power and authority to make purchases and sales, withdraw funds and securities from, or to do anything else with reference to the account. You are authorized and directed to act upon instructions received from any of us. Suitability information provided by us reflects the combined interests of all joint owners. We understand that tax reporting information is processed using the social security number of the person first named in the registration. Each of us agrees to hold You and Your employees and agents harmless from and indemnify them against any losses, causes of action, damages and expenses (including attorney's fees) arising from or as the result of You, Your employees or agents following the instructions of any of us. Axos Clearing in its sole discretion may at any time suspend all activity in the joint account pending instructions from a court of competent jurisdiction or require that instructions pertaining to the joint account or the property therein be in writing, signed by all of us. You may recover from the account or from any of us such costs as You may incur, including reasonable attorney's fees, as the result of any dispute among us relating to or arising from the account. Upon any event that causes a change in the ownership of the joint account (divorce, death, assignment, etc.), all remaining accountholders or survivors shall immediately notify You in writing. You may take such actions in the account as You deem advisable to protect against any tax, liability, penalty or loss under any present or future laws or otherwise. The estate of the decedent or departing accountholder shall be liable together with each of the remaining or surviving accountholders, jointly and severally, to You for any net debit balance or loss in the account in any way resulting from any transactions initiated prior to notification to You or incurred in the liquidation of the account or the adjustment of the interests of the respective parties. Notwithstanding the governing law provisions of this Agreement, the legal ownership of our accounts shall be governed by the internal laws of the state of residence.
18. **Liens.** I further agree, jointly and severally if this is a joint account, that all property including cash or securities You may at any time be holding or carrying for Me shall be subject to a lien in Your favor for the discharge of obligations of the account to You. Such lien is to be in addition to and not in substitution of the rights and remedies You otherwise would have.
19. **Definitions of the Word "Property."** For all purposes of this Agreement, the word "Property" means of all kinds, monies and all contracts, investments and options relating thereto, whether for present or future delivery, and all distributions, proceeds, products and accessions of all such property. This includes all such property held, maintained or carried by You in any manner for Me.
20. **Effect of Attachment or Sequestration of Accounts.** You shall not be liable for refusing to obey any orders given by or for Me with respect to any account(s) that has or have been subject to an attachment or sequestration in any legal proceeding against Me, and You shall be under no obligation to contest the validity of any such attachment or sequestration.
21. **Event of Death.** It is further agreed that in the event of My death or the death of one of the joint account holders, the representative of My estate or the survivor or survivors shall immediately give You written notice thereof, and You may, before or after receiving such notice, take such proceedings, require such papers and inheritance or estate tax waivers, retain such portion of and/or restrict transactions in the account as You may deem advisable to protect You against any tax, liability, penalty or loss under any present or future laws or otherwise. Notwithstanding the above, in the event of My death or the death of one of the joint Account Holders, all open orders shall be canceled, but You shall not be responsible for any action taken on such orders prior to the actual receipt of notice of death. Further, You may in your discretion close out any or all of My accounts without awaiting the appointment of a personal representative for My estate and without demand upon or notice to any such personal representative. The estate of any of the account holders who shall have died shall be liable and each survivor shall continue liable, jointly and severally, to You for any net debit balance or loss in said account in any way resulting from the completion of transactions initiated prior to the receipt by You of the written notice of the death of the decedent or incurred in the liquidation of the account or the adjustment of the interests of the respective parties. Such notice shall not affect Your rights under this Agreement to take any action that You could have taken if I had not died.
22. **Tax Reporting.** The proceeds of sales transactions and dividends paid will be reported to the Internal Revenue Service in accordance with applicable law.
23. **Information Accuracy.** I (a) certify that the information and representations contained in this Agreement and any other document or information that has been or will be furnished to You in connection with My account(s) is complete, true and correct, and acknowledge that knowingly giving false information for the purpose of inducing You to extend credit is a federal crime, (b) authorize You to contact any individual or firm noted herein or on the documents referred to in subsection (a) of this Section and any other normal sources of debit or credit information, (c) authorize anyone so connected to furnish such information to You as You may request, and (d) agree that this Agreement and any other document or information I furnish in connection with My account is Your property, as the case may be. I shall promptly advise You of any changes to the information in such agreements, documents, or information. You may retain this Agreement and all other such documents or information and their respective records at Your sole discretion, whether or not credit is extended.
24. **Credit Information and Investigation.** I authorize You to obtain reports and provide information to others concerning My creditworthiness and business conduct. Upon My request, You agree to provide Me a copy of any report so obtained.
25. **Equity Orders and Payment for Order Flow.** Securities and Exchange Commission rules require all registered broker-dealers to disclose their policies regarding any "payment for order flow" arrangement in connection with the routing of customer orders. "Payment for order flow" includes, among other things, any monetary payment, service, property, or other benefit that results in remuneration, compensation, or consideration to a broker or dealer from any broker or dealer in return for directing orders. You transmit customer orders for execution to various exchanges or market centers based on a number of factors. These include: size of order, trading characteristics of the security, favorable execution prices (including the opportunity for price improvement) access to reliable market data, availability of efficient automated transaction processing and reduced execution costs through price concessions from the market centers. Certain of the market centers may execute orders at prices superior to the publicly quoted market in accordance with their rules or practices. While a customer may specify that an order be directed to a particular market center for execution, the order-routing policies, taking into consideration all of the factors listed above, are designed to result in favorable transaction processing for customers. The nature and source of any payments and/or credits received by You in connection with any specific transactions will be furnished upon written request.

26. **Free Credit Balances.** To the extent that I have elected to participate in the Axos Clearing Insured Deposit (DLD) program, I authorize You to invest the free credit balances in My account. I authorize You, without further notice, to redeem My funds from the DLD Program to the extent necessary to satisfy any debits arising in any of My accounts. I understand that I have the option of liquidating the balance of my DLD Program funds and either keeping them or returning the proceeds to My account. I have chosen this option in full understanding of the alternatives available to Me as well as the cost, benefits and risks of this selection and the alternatives.
27. **Fees and Charges.** I understand that there are charges for commissions and fees for executing buy and sell orders and for other services provided under this Agreement. I agree to pay such commissions and fees at the then prevailing rate. I acknowledge that the prevailing rate of commissions and fees may change and that change may occur without notice. I agree to be bound by such changes. I specifically agree to pay a reasonable rate of interest on the principal amount of any debit balance carried with respect to the account. Interest due on the account is payable on demand. In the case of any stock borrow I request, I understand and agree that Axos Clearing may charge Me borrow rates that it determines in its sole discretion and which Axos Clearing will disclose upon request to My Introducing Broker Dealer. I also agree to pay such expenses incurred by You in connection with collection of any unpaid balance due on My accounts, including, but not limited to, attorney's fees allowed by law.
28. **Prohibition on Freeriding.** In a cash account, a customer must pay for the purchase of a security before selling it. If a customer buys and sells a security before paying for it, the customer is engaging in an activity that is prohibited by federal regulations and which is called freeriding. Accordingly, I understand and agree that if I purchase securities in a cash account and sell them before payment is received by Axos Clearing, Axos Clearing will place that account on restricted status for a period of 90 calendar days following the trade date for a first offense, 180 days for a second offense, and 1 year for a third offense, or place other restrictions as required or permitted by law or regulation. During any period of restriction, unless My cash account contains funds in advance of the trade sufficient to pay for any new purchase in full, I agree that I will not be permitted to purchase or sell any new securities in that account. I agree that Axos Clearing will cancel or remove any trades from My cash account that are made in violation of these or any other legal or regulatory prohibitions on freeriding. Axos Clearing and I agree that nothing stated in this section constitutes a modification of any laws or regulations to which Axos Clearing and I are subject.
29. **Arbitration.**
- The following general provisions apply to all arbitrations pursuant to this section:**
 - All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.**
 - Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.**
 - Pre-arbitration discovery is generally more limited than and different from court proceedings. The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.**
 - The arbitration award is not required to include factual findings or legal reasoning and any party's right to appeal or seek modification of rulings of the arbitrators is strictly limited. The arbitrators do not have to explain the reason(s) for their award.**
 - The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.**
 - The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.**
 - The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this Agreement.**
 - Any controversy or claim arising out of or relating to this Agreement shall be settled by FINRA arbitration procedures then in effect. I agree that any judgment upon an award rendered by arbitration may be entered in any court having proper jurisdiction.**
 - This Agreement to arbitrate constitutes a waiver of the right to seek a judicial forum unless such a waiver would be void under the federal securities laws.**
 - No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until:**
 - the class certification is denied; or**
 - the class is decertified; or**
 - the customer is excluded from the class by the court.**

Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.
 - The venue for all arbitration proceedings arising out of or relating to this Agreement shall be Omaha, NE. By having an account subject to the terms of this Agreement, I acknowledge and accept Omaha as the arbitration hearing location.**
 - This Agreement to arbitrate does not entitle Me to obtain arbitration of claims that would be barred by the relevant statute of limitations if such claims were brought in a competent jurisdiction.**
30. **Notice.** All communications, including margin calls, may be sent to Me at the mailing address for the account or E-mail address that I have given to You, to either E-mail address in the case of joint accounts where each account holder has given an E-mail address(notice to both E-mail addresses is not required) or at such other address as I may hereafter give You in writing or by E-mail at least ten (10) days prior to delivery, and all communications so sent, whether in writing or otherwise, shall be deemed given to me personally, whether actually received or not.
31. **Headings.** The heading of each provision hereof is for descriptive purposes only and shall not be (i) deemed to modify or qualify any of the rights or obligations set forth herein or (ii) used to construe or interpret any of the provisions hereunder.
32. **No Waiver; Cumulative Nature of Rights and Remedies.** Your failure to insist at any time upon strict compliance with any term contained in this Agreement, or any delay or failure on Your part to exercise any power or right given to You in this Agreement, or a continued course of such conduct on Your part, shall at no time operate as a waiver of such power or right, nor shall any single or partial exercise preclude any other further exercise. All rights and remedies given to You in this Agreement are cumulative and not exclusive of any other rights or remedies to which You are entitled.
33. **Miscellaneous Provisions.** The following provisions shall also govern this Agreement:
- This Agreement and all documents incorporated by reference are governed by the laws of the State of New York.
 - I hereby ratify and confirm all transactions heretofore made and entered into with You.
 - This Agreement shall bind My heirs, assigns, executors, successors, conservators and administrators.
 - If any provision of this Agreement shall be determined to be invalid, the remainder hereof shall remain in full force and effect.
 - This Agreement may be terminated by either Me or You upon thirty (30) days written notice. I will remain liable to You for any charges due, whether arising before or after termination.
 - No provision of this Agreement may be altered, changed or revised except by a written instrument signed by Me and Axos Clearing.
 - I will notify You if any representation herein is or becomes materially inaccurate.
34. **Severability.** If any provisions or conditions of this Agreement become inconsistent with any present or future law, rule or regulation of any applicable government, regulatory or self-regulatory agency or body, or are deemed invalid or unenforceable by any court of competent jurisdiction, such provisions shall be deemed rescinded or modified, to the extent permitted by applicable law, to make this Agreement in compliance with such law, rule or regulation, or to be valid and enforceable, but in all other respects, this Agreement shall continue in full force or affect.

BY AGREEING TO OPEN AN ACCOUNT WITH AXOS CLEARING AND/OR HAVE MY ACCOUNT CARRIED BY AXOS CLEARING, I ACKNOWLEDGE THAT I HAVE RECEIVED, READ, UNDERSTAND AND AGREE TO THE TERMS SET FORTH IN THE FOREGOING AGREEMENT, AND THAT THIS AGREEMENT CONTAINS A PREDISPUTE ARBITRATION CLAUSE AT SECTION 29 OF PAGE 3.

Axos Clearing Insured Deposit Program — Summary of Terms and Conditions

Program Summary

The Axos Clearing Insured Deposit Program ("The Program") provides a cash sweep capability for customers. Under The Program provided by Axos Clearing LLC ("Axos Clearing", "The Firm", "We", or "Us ") and selected by your Introducing Broker Dealer and administered by a third party selected by the Firm ("Program Administrator"), your uninvested cash balances in eligible accounts will be automatically deposited into an interest-bearing Federal Deposit Insurance Corporation ("FDIC") insured deposit account at one or more of the banks or depository institutions participating in The Program, collectively called "Program Banks."

Your uninvested cash balances are deposited with a network of Program Banks in a manner designed to provide you with a maximum deposit insurance potentially in excess of the current FDIC limits (The Firm's current limits are available at www.axosclearing.com). A separate account for the benefit of Program participants will be established at each of The Program Banks for deposit in The Program (the "Deposit Accounts"). Once your funds in a Deposit Account at any of the individual Program Banks reach 95% of the applicable FDIC insurance limit, any additional funds will be deposited at another Program Bank. The Deposit Accounts will be insured by the FDIC within certain applicable limits. FDIC insurance will not cover amounts over the applicable maximum insurance limit that you have on deposit with any particular Program Bank.

All activity with respect to your accounts will appear on your periodic account statement, including the total of your opening and closing account balances in The Program and a breakdown of your bank deposit balance at each individual Program Bank at which you have deposits. If you maintain a separate account at a Program Bank outside of The Program, you are responsible for monitoring the total amount of deposits that you have with The Program Bank to determine the extent of deposit insurance coverage available to you. The total amount of FDIC insurance coverage may change at any time.

The Program is your default sweep option for available cash in your eligible accounts. By your participation in The Program, you acknowledge that you have received and carefully read these Terms and Conditions. If you have any questions about any of the provisions of these Terms and Conditions, please contact your Introducing Broker Dealer.

The Program should not be viewed as a long-term investment option. If you desire to maintain invested cash balances for other than a short-term period and/or are seeking the highest yields currently available in the market, please contact your Introducing Broker Dealer to discuss investment options that may be available outside of The Program to help maximize your return potential consistent with your investment objectives, risk tolerance and liquidity needs. Please keep in mind that such outside investment options may not be FDIC insured and may not include the automatic sweep features included in The Program.

As provided in your account agreement with your Introducing Broker Dealer and the Customer Agreement, The Firm is the carrier of your brokerage account as clearing broker pursuant to a clearing agreement with your Introducing Broker Dealer. As clearing broker, The Firm provides certain administrative services in connection with The Program. The services rendered by The Firm in connection with The Program are not intended to create a joint venture, partnership, or other form of business organization of any kind with any other party. The Firm shall not be responsible or liable for any acts or omissions of your Introducing Broker Dealer, any Program Bank, or their respective employees. The Firm provides no advice regarding The Program, nor does The Firm give advice or offer any opinion with respect to the suitability of any transaction or order in connection with your brokerage account. Neither your Introducing Broker Dealer nor any Program Bank is acting as the agent of The Firm. You agree that you will not hold The Firm, its affiliates, and its officers, directors, and agents liable in connection with any transactions related to The Program.

Differences Between Axos Clearing Insured Deposit (DLD) Program and Holding Deposits in a Cash Account

The Program and cash balances are subject to differing risks and account protection. Cash balances are not bank accounts and not subject to FDIC insurance protection. The Program is covered by FDIC. Deposits in The Program equal to or less than the maximum FDIC deposit insurance limit are insured against the risk of a Program Bank's failure.

FDIC Coverage and Limitations

Upon deposit into The Program, your deposits are insured by the FDIC, an independent agency of the federal government backed with the full faith and credit of the U.S. Government, up to the current FDIC limit per depositor for each category of legal ownership. To provide potential additional coverage, The Program uses a network of Program Banks in a manner designed to provide you with a maximum deposit insurance limit in excess of the current FDIC limits per depositor for each category of legal ownership. If the amounts deposited in The Program exceed the maximum deposit insurance limit, the excess funds will be deposited at a Program Bank and not be insured by the FDIC. If you have or make deposits on your own with a Program Bank, neither Axos Clearing nor your Introducing Broker Dealer will be aware of these deposits and they may not be insured.

Additional FDIC insurance coverage may also apply to certain categories of legal ownership. For additional information and any other questions about FDIC Deposit Insurance coverage, you may wish to seek advice from your own legal advisor. You may also obtain information by contacting the FDIC, Division of Supervision and Consumer Protection, by letter (550 17th Street, N.W., Washington, D.C. 20429), by phone (877-275-3342, 800-925-4618 (TDD)), by e-mail (dcinternet@fdic.gov), or by accessing the FDIC Web site at www.fdic.gov.

Your Responsibility

You must monitor and determine the best sweep option for you under The Program. You may elect not to participate in The Program and instead periodically invest cash balances directly into investment options that may be available outside of The Program to help maximize your return potential consistent with your investment objectives, risk tolerance and liquidity needs.

You are responsible for monitoring the total amount of all deposits you have at each Program Bank for purposes of calculating your FDIC insurance coverage. Activity with respect to your funds in The Program, including The Program Banks in which your funds are invested and the interest rate paid to you, will appear on your periodic brokerage account statement. If your total funds on deposit at any individual Program Bank exceed the maximum deposit insurance limit, the FDIC will not insure your funds in excess of the limit.

Interest

The Program Banks will pay interest on funds in The Program at a variable rate established periodically by The Firm based on prevailing market, economic and other business conditions. The Firm may change the interest rate at our discretion without notice to you. The Firm may establish a schedule of rates to be applied to accounts based on, among other things, the total value of household assets in your brokerage accounts. The asset tiers and interest rates may be changed by The Firm from time-to-time. Current interest rate information is available by contacting your Introducing Broker Dealer.

Interest on funds in The Program will accrue from the day funds are deposited by us into The Program up to, but not including, the day of withdrawal. The Program Banks will use the daily-balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. Interest will be compounded monthly and will be credited to your account on or about the 25th day of each month (or preceding business day if the 25th day is not a business day). You will receive a 1099-INT form from The Firm indicating the amount of interest paid to you.

Fees

No direct fees will be assessed to you or deducted from your brokerage account with respect to The Program. We may, without notice, refuse any deposit, close any account or impose a fee, if your actions become administratively burdensome.

Program Compensation

No direct fees will be assessed to you or deducted from your specified rate of return. Instead fees are collected from The Program Banks. The fee of the Program Administrator will be collected from The Program Banks in the form of fees collected in addition to interest paid on The Program. The Firm will receive a fee from the Program Administrator that varies depending on the balance in your account, the service plan you may be on and other factors. Although the actual fees are subject to change and vary depending on the tier and other factors (please see our website at www.axosclearing.com for the applicable rate structure), this fee currently is expected to range from .5% to 6.0%. This fee is subject to change and we may waive all or part of this fee. Other than applicable fees charged by us on a brokerage account, there will be no charge, fee or commission charged to your account with respect to The Program.

Eligibility

The Program is available to individuals, certain non-profit organizations and to certain fiduciaries and trusts, provided that the beneficiaries are individuals or otherwise eligible. Accounts in the name of business entities including corporations, limited liability companies and partnerships are also eligible for The Program. Excluded are all plans subject to the Employee Retirement Income Security Act of 1974, as amended. Please contact your Introducing Broker Dealer if you are unsure if your account(s) are eligible.

Deposits

Because The Program is your default sweep option for cash balances in your eligible account, unless you elect out of The Program you will have cash balances in your eligible account(s) automatically deposited in Deposit Accounts at The Program Banks. These Deposit Accounts will receive FDIC coverage up to The Program's maximum deposit insurance limit. There is no minimum initial deposit. Funds will be deposited into a Deposit Account under the following circumstances: (i) in the case of available cash balances resulting from the proceeds of securities sales, on the settlement date of the securities sale; and (ii) in the case of available cash balances resulting from non-trade-related credits (e.g., the receipt of dividend or interest payments or a deposit in the brokerage account), on the business day after receipt into your brokerage account of the non-trade-related credit. Funds deposited into a Deposit Account will begin earning interest from the day that they are received by The Program Bank. Your deposit will be in book entry form and, therefore, you will not receive a passbook or a certificate. Your uninvested cash balances will be deposited into a Settlement Account, which will allocate your deposits to any eligible Program Bank according to an order of priority established from time-to-time. Once your funds in a Deposit Account at any of the individual Program Banks reach 95% of the applicable FDIC insurance limit, any additional funds will be deposited at another Program Bank. You may exclude any Program Bank from being able to receive your uninvested cash balance at any time. For example, you may want to exclude any Program Bank at which you maintain balances (e.g. Certificates of Deposit, checking account deposits) which, when added to amounts in the Deposit Account, might exceed the maximum deposit insurance limits. This exclusion may be accomplished at the time of your initial deposit into The Program, or at any other time by contacting your Introducing Broker Dealer and may impact the overall FDIC coverage available to you through The Program. The list of Program Banks participating in The Program is available from your Introducing Broker Dealer. In addition, The Program Banks in which your Program balances were invested will be listed on your periodic account statement.

Program Banks may be added or removed from The Program. It is your responsibility to monitor your Program deposits with each Program Bank in order for you to determine the extent of insurance coverage available to you.

Deposit Accounts are established on an omnibus basis at each Program Bank, with records of ownership in a manner consistent with FDIC rules governing "pass through" deposit insurance. The Program Administrator also serves as a finder assisting in locating and negotiating deposit arrangements with Program Banks. The Firm, may at any time select a different Program Administrator or finder or the role in The Program of the Program Administrator or finder may be eliminated altogether.

Withdrawals

All withdrawals necessary to satisfy debits in your brokerage accounts will be made by us. A debit will be created, for example, when you purchase securities or request withdrawal of funds from your brokerage account, when you write a check, or use other withdrawal methods (such as through an ACH). Checks written on your brokerage account are not drawn directly against the amounts deposited for you at any of The Program Banks, but the money is transferred back from The Program Banks to an intermediary bank and then to us, and then used to satisfy your debit through The Program. Withdrawals may not be made directly from The Program Banks, except through The Firm.

The funds necessary to satisfy debits in your securities account will be drawn from your account in the following order: (i) free credit balances in your brokerage account (if any); (ii) balances in your money fund (if any); and (iii) amounts in The Program Account.

Electronic Funds Transfers

The only items processed through The Program are deposits from the brokerage account to The Program Banks, transfers among The Program Banks, and transfers back to the brokerage account from The Program Banks.

The Program does not allow electronic funds transfers, ATM access, check-writing, deposit, point-of-sale terminal access, pre-authorized payments to third parties, access by credit or debit card or ACH transfers directly from The Program Bank Deposit Accounts.

Program Deposit Account Error Resolution Notice

Please contact your Introducing Broker Dealer as soon as possible if you think The Program Deposit Account portion of your statement is wrong or if you need more information about a transfer listed on the statement. Your Introducing Broker Dealer must hear from you no later than fifteen (15) business days after the date of the statement on which the claimed problem or error first appeared. In making that contact you must:

- (1) Provide your name and account number (if any);
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
- (3) Provide the dollar amount of the suspected error.

If you provide this information orally, you may be required to send your complaint or question in writing within fifteen (15) business days.

It will be determined whether an error occurred within fifteen (15) business days after hearing from you and any actual error will be promptly corrected. If more time is needed, however, it may take up to forty-five (45) business days to investigate your complaint or question. In such case, it will be requested that The Program Bank credit your Program Deposit Account within fifteen (15) business days for the amount you think is in error, so that you will have the use of the money during the time it takes to complete the investigation. If you are asked to put your complaint or question in writing and your Introducing Broker Dealer does not receive it within fifteen (15) business days, The Program Bank may not credit your Program deposit account.

For errors involving new Program Deposit Accounts, it may take up to ninety (90) business days to investigate your complaint or question. For new Program Deposit Accounts, The Program Bank may take up to twenty (20) business days to credit your Program Deposit Account for the amount you think is in error.

Your Introducing Broker Dealer will contact you with the results within three (3) business days after a investigation is completed. If it is determined that there was no error, a written explanation will be provided. You may ask for copies of the documents used in the investigation.

Account Information

Activity with respect to your funds in The Program, including The Program Banks in which your funds are invested and the interest rate paid to you, will appear on your periodic brokerage account statement. For each statement period, your brokerage account statement will reflect: (i) all deposits to and withdrawals from your Program account; (ii) the opening and closing balances of your Program account; (iii) interest earned on your Program account balances; and (iv) the detail of balances held in your Program account at each Program Bank.

Summary of Certain Relationships

All Program Banks in The Program are depository institutions duly chartered under the laws of the United States or a State thereof, the deposits of which are insured by the FDIC. Your Introducing Broker Dealer and The Firm are broker-dealers registered with the U.S. Securities and Exchange Commission ("SEC") and the Financial Industry Regulatory Authority ("FINRA"). Your Introducing Broker Dealer and The Firm are not banks. Deposit Accounts are held by the respective Program Banks.

Pursuant to the clearing agreement between Your Introducing Broker Dealer and The Firm and acting on the instructions of your Introducing Broker Dealer, The Firm will act as exclusive custodian and agent with respect to all transactions related to The Program. The Deposit Accounts established for The Program will be evidenced by a book entry on the account records of each such Program Bank. The Firm and its agents will maintain records of your interest in each Deposit Account. No evidence of ownership, such as a passbook or certificate, will be issued to you.

All questions regarding your funds in each Deposit Account should be directed to your Introducing Broker Dealer and not The Program Banks. No Program Bank will accept any instructions concerning your deposits in a Program Bank through The Program unless such instructions are transmitted by The Firm or an authorized agent on its behalf.

The Firm will assume the responsibility and the risk of loss for any of your funds transferred from The Program Banks that have been delivered by you to your Introducing Broker Dealer. Until the funds have been received in the Settlement Account maintained at a designated bank (the "Settlement Bank"), withdrawals will be deemed paid by a particular Program Bank when such funds are transmitted by the Program Bank to the Settlement Account. The Program Bank will be released from all liability for such withdrawn funds once the Program Bank delivers those funds to the Settlement Account. The Program Banks are not responsible for the actions of the Program Administrator or for the actions of your Introducing Broker Dealer or The Firm, with respect to The Program or otherwise. Each Program Bank deposit account is an obligation of The Program Bank and is not directly or indirectly an obligation of The Firm. Program Banks are selected by The Firm and Program Banks included in The Program are subject to change at any time. You can obtain publicly available financial information concerning any or all of The Program Banks at www.FDIC.gov or by contacting the FDIC Public Information Center by mail at 801 17th Street, N.W. Room 100, Washington DC 20434 or by phone at 800-276-6003.

The Firm does not guarantee in any way the financial condition of any Program Bank or the accuracy of any publicly available financial information concerning a Program Bank. You may exclude deposits of any Program Bank from inclusion in your brokerage account by contacting your Introducing Broker Dealer. By your continued use of The Program, you agree to the terms provided herein.

Waiver of Confidentiality

You expressly give consent for federal or state regulators to access your customer account information for audit and review purposes.

Changes to the Program

Your Introducing Broker Dealer or The Firm may modify or cancel The Program at any time, which may result in changing the sweep option for your account. If we make any change, there is no guarantee that such change will provide an equal or greater rate of return to you on your uninvested cash balances during any given period, and the rate of return may be lower. You will receive advance notice of any change that results in changing the sweep option for your account. Unless you object within the time period specified, we will transfer the balances from your prior sweep into any new sweep.

Relationships and Your Privacy

Although your Introducing Broker Dealer, The Firm, and The Program Banks may share certain information about you and your accounts, information shared with Program Banks will be handled in accordance with the privacy policies of The Firm and your Introducing Broker Dealer.

Inactive Accounts

The Firm may be required by law to turn over (escheat) funds in your Program Deposit accounts to a state, typically your state of residence, based on account inactivity for a certain time period established by applicable state law. If funds are remitted to the state, you may file a claim with the state to recover the funds within the time periods established by state law.

Transferability

Your Program Bank deposit accounts may not be transferred by you to another owner except by a change in ownership of your brokerage account. A transfer that occurs due to death, incompetence, marriage, divorce, attachment or otherwise by operation of law, shall not be binding until sufficient documentation has been received.

Closing of Account

If you close or The Firm closes your brokerage account, your associated Program Bank deposit accounts will also be closed and the funds in your Program Bank deposit accounts will be distributed out through your brokerage account.

CAMBRIA CAPITAL LLC's Business Continuity Planning

Cambria Capital, LLC has developed a Business Continuity Plan on how we will respond to events that significantly disrupt our business. Since the timing and impact of disasters and disruptions is unpredictable, we will have to be flexible in responding to actual events as they occur. With that in mind, we are providing you with this information on our business continuity plan.

Contacting Us – If after a significant business disruption you cannot contact us as you usually do at 801-320-9606 or at 877-226-0477, you should contact the clearing firm for your account for instructions on how it may obtain prompt access to customer funds and securities, enter and process orders and any other trade-related items.

Apex Clearing, LLC, at 214-765-1001 or www.apexclearing.com
Axos Clearing, LLC, at 866-774-0218 or www.axosclearing.com
Folio Investments, Inc, at 888-485-3456 or www.folioinstitutional.com
Vison Financial Markets, LLC, at 877-836-3949 or www.vfmarkets.com

Our Business Continuity Plan – We plan to quickly recover and resume business operations after a significant business disruption and respond by safeguarding our employees and property, making a financial and operational assessment, protecting the firm's books and records, and allowing our customers to transact business. In short, our business continuity plan is designed to permit our firm to resume operations as quickly as possible, given the scope and severity of the significant business disruption.

Our business continuity plan addresses: data back up and recovery; all mission critical systems; financial and operational assessments; alternative communications with customers, employees, and regulators; alternate physical location of employees; critical supplier, contractor, bank and counter-party impact; regulatory reporting; and assuring our customers prompt access to their funds and securities if we are unable to continue our business.

Our clearing firms, Apex Clearing, LLC, Axos Clearing, LLC, Folio Investments, Inc and Vision Financial Markets, LLC, back up our important records in a geographically separate area. While every emergency situation poses unique problems based on external factors, such as time of day and the severity of the disruption, our clearing firm has advised us that its objective is to restore its own operations and be able to complete existing transactions and accept new transactions and payments within 4 to 12 hours. Your orders and requests for funds and securities could be delayed during this period.

Varying Disruptions – Significant business disruptions can vary in their scope, such as only our firm, a single building housing our firm, the business district where our firm is located, the city where we are located, or the whole region. Within each of these areas, the severity of the disruption can also vary from minimal to severe. In a disruption to only our firm or a building housing our firm, we will transfer our operations to a local site when needed and expect to recover and resume business within 4 to 12 hours. In a disruption affecting our business district, city, or region, we will transfer our operations to a site outside of the affected area, and recover and resume business within 4 to 12 hours. In either situation, we plan to continue in business, and transfer operations to our clearing firm if necessary, and notify you through our customer emergency hotline as to how to contact us. If the significant business disruption is so severe that it prevents us from remaining in business, we will assure our customer's prompt access to their funds and securities.

For more information – If you have questions about our business continuity planning, you can contact us at 877-226-0477.

Anti-Money Laundering Requirements

The USA Patriot Act

The USA Patriot Act, signed into law by President Bush on October 26, 2001, was formed in response to terrorist activities against the United States. In expanding the authority of American law enforcement for the stated purpose of fighting terrorism in the United States, the Act imposes new anti-money laundering requirements on brokerage firms and financial institutions. As of April 24, 2002, all brokerage firms are required to have comprehensive, compliant anti-money laundering programs. We make every effort to implement the USA Patriot Act. We would like to help you understand these efforts and to provide you with some information about money laundering and the implementation of the USA Patriot Act.

Money laundering

Money laundering is the practice of engaging in specific financial transactions in order to conceal the identity, source, and/or destination of money, often to make it appear that the funds come from legitimate activities. No longer exclusive to organized crime, money laundering occurs in connection with a wide variety of crimes, including drug trafficking, the sale of illegal arms, robbery, fraud, racketeering, and is a major concern in the battle against terrorists. Money laundering activities are a global dilemma, purported to reach up to \$1 trillion a year. The use of the U.S. financial system by criminals would taint our financial markets.

How can we help to eliminate money laundering?

To comply with the USA Patriot Act, our anti-money laundering program must designate a special compliance officer, conduct independent audits, set up employee training, and establish policies and procedures to detect and report suspicious transactions. It may therefore be necessary to ask you to provide certain documentation or other information before we can open an account or effect any transactions on your behalf. We thank you for your patience and hope that you will support us in our efforts to deny terrorist groups access to America's financial system.
