## SCHEDULE 15G

### **Important Information on Penny Stocks**

The U.S. Securities and Exchange Commission (SEC) requires your broker to give this statement to you, and to obtain your signature to show that you have received it, before your first trade in a penny stock. This statement contains important information – and you should read it carefully before you sign it, and before you decide to purchase or sell a penny stock.

In addition to obtaining your signature, the SEC requires your broker to wait at least two business days after sending you this statement before executing your first trade to give you time to carefully consider your trade.

#### **Penny stocks can be very risky.**

Penny stocks are low-priced shares of small companies. Penny stocks may trade infrequently - which means that it may be difficult to sell penny stock shares once you have them. Because it may also be difficult to find quotations for penny stocks, they may be impossible to accurately price. Investors in penny stock should be prepared for the possibility that they may lose their whole investment.

While penny stocks generally trade over-the-counter, they may also trade on U.S. securities exchanges, facilities of U.S. exchanges, or foreign exchanges. You should learn about the market in which the penny stock trades to determine how much demand there is for this stock and how difficult it will be to sell. Be especially careful if your broker is offering to sell you newly issued penny stock that has no established trading market.

The securities you are considering have not been approved or disapproved by the SEC. Moreover, the SEC has not passed upon the fairness or the merits of this transaction nor upon the accuracy or adequacy of the information contained in any prospectus or any other information provided by an issuer or a broker or dealer.

#### **Information you should get.**

In addition to this statement, your broker is required to give you a statement of your financial situation and investment goals explaining why his or her firm has determined that penny stocks are a suitable investment for you. In addition, your broker is required to obtain your agreement to the proposed penny stock transaction.

***Before you buy penny stock***, federal law requires your salesperson to tell you the “offer” and the “bid” on the stock, and the “compensation” the salesperson and the firm receive for the trade. The firm also must send a confirmation of these prices to you after the trade. You will need this price information to determine what profit or loss, if any, you will have when you sell your stock.

The offer price is the wholesale price at which the dealer is willing to sell stock to other dealers. The bid price is the wholesale price at which the dealer is willing to buy the stock from other dealers. In its trade

with you, the dealer may add a retail charge to these wholesale prices as compensation (called a "markup" or "markdown").

The difference between the bid and the offer price is the dealer's "spread." A spread that is large compared with the purchase price can make a resale of a stock very costly. To be profitable when you sell, the bid price of your stock must rise above the amount of this spread and the compensation charged by both your selling and purchasing dealers. Remember that if the dealer has no bid price, you may not be able to sell the stock after you buy it, and may lose your whole investment.

*After you buy penny stock*, your brokerage firm must send you a monthly account statement that gives an estimate of the value of each penny stock in your account, if there is enough information to make an estimate. If the firm has not bought or sold any penny stocks for your account for six months, it can provide these statements every three months.

Additional information about low-priced securities - including penny stocks – is available on the SEC's Web site at <http://www.sec.gov/investor/pubs/microcapstock.htm>. In addition, your broker will send you a copy of this information upon request. The SEC encourages you to learn all you can before making this investment.

### **Brokers' duties and customer's rights and remedies.**

Remember that your salesperson is not an impartial advisor - he or she is being paid to sell you stock. Do not rely only on the salesperson, but seek outside advice before you buy any stock. You can get the disciplinary history of a salesperson or firm from NASD at 1-800-289-9999 or contact NASD via the Internet at [www.nasd.com](http://www.nasd.com). You can also get additional information from your state securities official. The North American Securities Administrators Association, Inc. can give you contact information for your state. You can reach NASAA at (202) 737-0900 or via the Internet at [www.nasaa.org](http://www.nasaa.org)

If you have problems with a salesperson, contact the firm's compliance officer. You can also contact the securities regulators listed above. Finally, if you are a victim of fraud, you may have rights and remedies under state and federal law. In addition to the regulators listed above, you also may contact the SEC with complaints at (800) SEC-0330 or via the Internet at [help@sec.gov](mailto:help@sec.gov).

### 2. *What investment services and advice can you provide me?*

Cambria Capital, LLC (“Cambria”) offers services to retail investors. Cambria’s brokerage services include buying and selling securities, making recommendations on buying, selling and holding securities, selection of account types and securities offerings. There are no account minimums applicable to brokerage accounts. The available investments might be limited based on account size. **For additional information**, please refer to our Website ([www.cambriacapital.com](http://www.cambriacapital.com)) under Products and Services, Our Solutions and Investment Banking

**Conversation Starters.** Given my financial situation should I choose a brokerage service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education, and other qualifications? What do these qualifications mean?

### 3. *What fees will I pay?*

#### **Cambria Capital, LLC**

You will pay us a fee every time you buy or sell an investment. This fee, commonly referred to as a commission, is based on the specific transaction and not the value of your account. With stocks or exchange-traded funds this commission is usually recognized as a separate fee. With other investments, such as bonds, this fee might be part of the price you pay for the investment (called a “mark-up” or “mark down”). With mutual funds, this fee (typically called a “load”) reduces the value of your investment. Some investments (such as mutual funds and variable annuities) impose additional fees that will reduce the value of your investment over time. Also, with certain investments such as variable annuities, you may have to pay fees such as “surrender charges” to sell the investment. Cambria’s fees vary and are negotiable. The amount of fees you will pay are dependent upon the frequency of your transactions, type(s) of investments and the type of account. Additional fees for brokerage services account(s) include custodian fees, account maintenance fees and account inactivity fees.

#### **BANQ® and My IPO**

Sign up is free and there are no associated membership fees to maintain an account. You are not charged any fees when you purchase offers. BANQ® and My IPO are typically compensated directly by each company for whom we raise capital. The compensation brokerage firms receive is disclosed in each company offering document that can be found under “Browse Deals” on BANQ® and “Offering Documents” on My IPO. For publicly traded securities on My IPO there is a \$10 trade fee charged should you buy shares in the open market (outside of an offering) or sell shares in the future, plus we pass along regulatory fees such as SEC and TAF fees as part of the “Commission/Service Fees”. The SEC and TAF fees or “Service Fees” are very minimal charges.

The more transactions in your account, the more fees we charge you. We therefore have an incentive to encourage you to engage in transactions.” A transaction-based fee might be preferable for you if you do not plan to trade often or if you plan to buy and hold investments for longer periods of time.

The most common fees that might be applicable to brokerage accounts are account maintenance fees, mutual fund 12b-1 fees, minimum account balance fees and account service fees. Please discuss these fees with your representative when establishing a relationship with Cambria

**Conversation Starter.** Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

**You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.**

**For additional information on Cambria Capital, LLC, BANQ and My IPO fees and costs,** please contact us at [clientservices@cambriacapital.com](mailto:clientservices@cambriacapital.com).

***4. What are your legal obligations to me when providing recommendations? How else does your firm make money and what conflicts of interest do you have?***

When we provide you with a recommendation as your broker-dealer, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the recommendations we provide you.

**Here are some examples to help you understand what this means.**

We have an affiliate relationship with Digital Offering, LLC who acts as the Broker-Dealer Manager of certain investments offered to our broker dealer customers. We could indirectly benefit from this relationship.

Cambria Capital, LLC is registered with various states as an Investment Advisor. Brokerage and investment advisory services and fees differ, and it is important for you to understand the differences. Should you choose to become an Investment Advisory customer, Cambria could benefit from this relationship.

**Conversation Starter.** How might your conflicts of interest affect me, and how will you address them?

**For additional information,** please refer to our Website ([www.cambriacapital.com](http://www.cambriacapital.com)) under Products and Services, Our Solutions, and Investment Banking.

***How do financial professionals make money?***

Cambria and its representatives are primarily compensated by commissions charged on the transactions in your account. Our representatives can receive higher levels of compensation based on the amount of assets they manage, the amount of commissions charged and the types of products sold. Some investment products involve compensation paid by the sponsor or issuer of the securities and might be higher than the commission for other investment products available to you. At times we might provide an incentive to representatives to increase their assets under management.

BANQ® and My IPO and its representatives are primarily compensated by compensation paid by the sponsor or issuer of the securities. BANQ® and My IPO are compensated directly by each company for who we raise capital. This allows us to charge no commissions to investors when they purchase offerings. The compensation brokerage firms receive is disclosed in each company offering document that can be found under "Browse Deals" on BANQ® and "Offering Documents" on My IPO. For publicly traded securities on My IPO there is a \$10 trade fee charged should you buy shares in the open market (outside of an offering) or sell shares in the future, plus we pass along regulatory fees such as SEC and TAF fees as part of the "Commission/Service Fees". The SEC and TAF fees or "Service Fees" are very minimal charges and are not controlled by My IPO.

***5. Do you or your financial professionals have legal or disciplinary history?***

Yes. You can visit [Investor.gov/CRS](http://Investor.gov/CRS) for a free and simple search tool to research our firm and financial professionals.

**Conversation Starter.** As a financial professional, do you have any disciplinary history? For what type of conduct?

Unless I give You discretion by written authorization, all transactions will be done only on My order or the order of My authorized delegate except as described in Section 8.
- Role and Responsibility of Clearing Broker.** I understand that Axos Clearing carries My account(s) as clearing broker pursuant to a carrying agreement, also referred to as a clearing agreement, between My Introducing Broker Dealer and Axos Clearing, and that Axos Clearing will clear all transactions under this Agreement pursuant to that carrying or clearing agreement. If My account has been introduced to Axos Clearing and is carried by Axos Clearing acting solely as a "clearing broker," I agree that Axos Clearing is only responsible for the execution, clearing and bookkeeping of transactions made and is not otherwise responsible for the conduct of My Introducing Broker Dealer. The foregoing shall be effective as to My account until written notice to the contrary is received from Me by Axos Clearing or My Introducing Broker Dealer. - Effect of Reports and Statements.** I agree that reports of execution of orders and statements of My account shall be conclusive if not objected to within ten (10) days after transmittal to Me by mail or otherwise. Such objection may be oral or in writing, but any oral objection must be immediately confirmed in writing.
- Important Information About Procedures for Opening and/or Maintaining an Account.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for Me: When I open or maintain an account carried by Axos Clearing, You will ask for My name, address, date of birth and other information that will allow You to identify Me. You may also ask to see My driver's license or other identifying documents and subsequently make copies for the records.

This brings the total protection to \$25 million with a limitation of \$1 million on claims for cash balances for each client (as defined by SIPC rules). I understand that such coverage does not include transactions or trading losses or declines in the value of securities.
- Telephone Recordings.** I understand and agree that any telephone conversation with You will or may be recorded for accuracy and I consent to such recording.
- Oral Authorization.** I agree that You shall be entitled to act upon any oral instructions given by Me so long as You reasonably believe such instruction was actually given by Me.
- Payment of Indebtedness.** In the event I become indebted to You in the course of operation of this account, I agree that I will repay such indebtedness upon demand. I agree that if after demand I fail to pay the indebtedness, You may close My account and liquidate any assets in My account at Your discretion in an amount sufficient to pay My indebtedness. As security for any and all liabilities arising in favor of You, I pledge to Axos Clearing a security interest in all property held by Axos Clearing in any account maintained by Axos Clearing for Me individually, jointly or in the name of another person or entity. Axos Clearing is hereby authorized to make whatever disposition of pledged property it may deem appropriate to realize the security afforded by this provision, and I will remain liable for any deficiency. I further agree that Axos Clearing shall be entitled to exercise the rights and remedies, with respect to the pledged property, generally afforded a secured party under the Uniform Commercial Code. The reasonable costs of collection of any debit balance and any unpaid deficiency in My accounts, including attorney's fees incurred by You shall be reimbursed by Me to You.
- Sell Orders; Deliveries and Settlements.** Unless otherwise specifically designated, any order directing the sale of Property shall be deemed to be a "long" sale, and in connection with any such order, I represent that I am the owner of the property subject of such order and agree to deliver the property to You in negotiable form on or before the settlement date. In the event that I fail to deliver the property to You by the close of business on the settlement date, You are authorized, in your discretion and without notice to Me, to (i) delay settlement, (ii) purchase comparable property to cover My position, or (iii) cancel the transaction. You may also charge any loss (including Interest), commission and fees to My account.
- Buy Orders; Settlements.** When I have directed that property be purchased, I agree to provide sufficient collected funds to cover such purchase on or before the settlement date. In the event that I fail to provide sufficient funds, You may, at your option and without notice to Me, (i) charge a reasonable rate of interest, (ii) liquidate the property subject of the buy order, or (iii) sell other property owned by Me and held in any account. You may also charge any consequential loss to My account.
- Distributions.** In the event that I sell a security prior to its ex-dividend/distribution date, and I receive the related cash/stock dividend or distribution in error, I direct You on My behalf to pay such dividend/distribution to the entitled purchaser of the securities I sold, and I guarantee to promptly reimburse You for, or deliver to You, said dividend or distribution.

13. **Restrictions on Trading.** I understand that You may, in Your sole discretion and without prior notice, prohibit or restrict the trading of securities, or the substitution of securities, in any of My accounts. I understand that You may execute all orders by Me on any exchange or market, unless I specifically instruct You to the contrary.
14. **Governing and Applicable Law.** This Agreement and all transactions made in My account shall be governed by the laws of the State of New York, (regardless of the choice of law rules thereof) except to the extent governed by federal securities law, the Federal Arbitration Act, and to the constitution, rules, regulations, customs and usage of the exchanges or market (and its clearing house) where executed.
15. **Ratification; Sub-Brokers and Agents; Extraordinary Events; Indemnification.** You may employ sub-brokers or other agents in connection with the execution of any order or the consummation of any other transaction hereunder, and You shall be responsible only for reasonable care in their selection. I understand that You shall not be liable for loss caused directly or indirectly by government restrictions, exchange or market rulings, suspension of trading, war, strikes, natural disasters or any other conditions or causes beyond Your control or anticipation, including, but not limited to, delays in the transmission of orders due to breakdown or failure of transmission or communication facilities. I agree to indemnify and hold You harmless from any loss, damage or liability arising out of any transaction in which You act, directly or indirectly, as My agent, absent any willful or grossly negligent conduct by You.
16. **Mutual Fund Transactions.** In the event that I purchase or hold a mutual fund, I agree to read and understand the terms of its prospectus. I understand that certain mutual funds reserve the right to change their purchasing, switching or redemption procedures and/or suspend or postpone redemptions under certain market conditions. I further understand that any mutual fund order entered with You is placed by You on a best efforts basis as prescribed and recognized by the individual fund, and that You are not responsible for unexecuted orders due to the failure of any communication system. I agree to be fully responsible for the information contained within the mutual fund prospectus and to hold You harmless for any deficiencies contained therein. I authorize You to act as My agent in the purchase and redemption of fund shares.
17. **Joint Account Authorization.** In consideration of Your carrying a joint account for the persons identified as the account holders, we jointly and severally agree to be fully and completely responsible and liable for this account and to pay on demand any balance due. Each of us, or any person authorized to act on behalf of the account under a separate agreement, has full power and authority to make purchases and sales, withdraw funds and securities from, or to do anything else with reference to the account. You are authorized and directed to act upon instructions received from any of us. Suitability information provided by us reflects the combined interests of all joint owners. We understand that tax reporting information is processed using the social security number of the person first named in the registration. Each of us agrees to hold You and Your employees and agents harmless from and indemnify them against any losses, causes of action, damages and expenses (including attorney's fees) arising from or as the result of You, Your employees or agents following the instructions of any of us. Axos Clearing in its sole discretion may at any time suspend all activity in the joint account pending instructions from a court of competent jurisdiction or require that instructions pertaining to the joint account or the property therein be in writing, signed by all of us. You may recover from the account or from any of us such costs as You may incur, including reasonable attorney's fees, as the result of any dispute among us relating to or arising from the account. Upon any event that causes a change in the ownership of the joint account (divorce, death, assignment, etc.), all remaining accountholders or survivors shall immediately notify You in writing. You may take such actions in the account as You deem advisable to protect against any tax, liability, penalty or loss under any present or future laws or otherwise. The estate of the decedent or departing accountholder shall be liable together with each of the remaining or surviving accountholders, jointly and severally, to You for any net debit balance or loss in the account in any way resulting from any transactions initiated prior to notification to You or incurred in the liquidation of the account or the adjustment of the interests of the respective parties. Notwithstanding the governing law provisions of this Agreement, the legal ownership of our accounts shall be governed by the internal laws of the state of residence.
18. **Liens.** I further agree, jointly and severally if this is a joint account, that all property including cash or securities You may at any time be holding or carrying for Me shall be subject to a lien in Your favor for the discharge of obligations of the account to You. Such lien is to be in addition to and not in substitution of the rights and remedies You otherwise would have.
19. **Definitions of the Word "Property."** For all purposes of this Agreement, the word "Property" means of all kinds, monies and all contracts, investments and options relating thereto, whether for present or future delivery, and all distributions, proceeds, products and accessions of all such property. This includes all such property held, maintained or carried by You in any manner for Me.
20. **Effect of Attachment or Sequestration of Accounts.** You shall not be liable for refusing to obey any orders given by or for Me with respect to any account(s) that has or have been subject to an attachment or sequestration in any legal proceeding against Me, and You shall be under no obligation to contest the validity of any such attachment or sequestration.
21. **Event of Death.** It is further agreed that in the event of My death or the death of one of the joint account holders, the representative of My estate or the survivor or survivors shall immediately give You written notice thereof, and You may, before or after receiving such notice, take such proceedings, require such papers and inheritance or estate tax waivers, retain such portion of and/or restrict transactions in the account as You may deem advisable to protect You against any tax, liability, penalty or loss under any present or future laws or otherwise. Notwithstanding the above, in the event of My death or the death of one of the joint Account Holders, all open orders shall be canceled, but You shall not be responsible for any action taken on such orders prior to the actual receipt of notice of death. Further, You may in your discretion close out any or all of My accounts without awaiting the appointment of a personal representative for My estate and without demand upon or notice to any such personal representative. The estate of any of the account holders who shall have died shall be liable and each survivor shall continue liable, jointly and severally, to You for any net debit balance or loss in said account in any way resulting from the completion of transactions initiated prior to the receipt by You of the written notice of the death of the decedent or incurred in the liquidation of the account or the adjustment of the interests of the respective parties. Such notice shall not affect Your rights under this Agreement to take any action that You could have taken if I had not died.
22. **Tax Reporting.** The proceeds of sales transactions and dividends paid will be reported to the Internal Revenue Service in accordance with applicable law.
23. **Information Accuracy.** I (a) certify that the information and representations contained in this Agreement and any other document or information that has been or will be furnished to You in connection with My account(s) is complete, true and correct, and acknowledge that knowingly giving false information for the purpose of inducing You to extend credit is a federal crime, (b) authorize You to contact any individual or firm noted herein or on the documents referred to in subsection (a) of this Section and any other normal sources of debit or credit information, (c) authorize anyone so contacted to furnish such information to You as You may request, and (d) agree that this Agreement and any other document or information I furnish in connection with My account is Your property, as the case may be. I shall promptly advise You of any changes to the information in such agreements, documents, or information. You may retain this Agreement and all other such documents or information and their respective records at Your sole discretion, whether or not credit is extended.
24. **Credit Information and Investigation.** I authorize You to obtain reports and provide information to others concerning My creditworthiness and business conduct. Upon My request, You agree to provide Me a copy of any report so obtained.
25. **Equity Orders and Payment for Order Flow.** Securities and Exchange Commission rules require all registered broker-dealers to disclose their policies regarding any "payment for order flow" arrangement in connection with the routing of customer orders. "Payment for order flow" includes, among other things, any monetary payment, service, property, or other benefit that results in remuneration, compensation, or consideration to a broker or dealer from any broker or dealer in return for directing orders. You transmit customer orders for execution to various exchanges or market centers based on a number of factors. These include: size of order, trading characteristics of the security, favorable execution prices (including the opportunity for price improvement) access to reliable market data, availability of efficient automated transaction processing and reduced execution costs through price concessions from the market centers. Certain of the market centers may execute orders at prices superior to the publicly quoted market in accordance with their rules or practices. While a customer may specify that an order be directed to a particular market center for execution, the order-routing policies, taking into consideration all of the factors listed above, are designed to result in favorable transaction processing for customers. The nature and source of any payments and/or credits received by You in connection with any specific transactions will be furnished upon written request.

26. **Free Credit Balances.** To the extent that I have elected to participate in the Axos Clearing Insured Deposit (DLD) program, I authorize You to invest the free credit balances in My account. I authorize You, without further notice, to redeem My funds from the DLD Program to the extent necessary to satisfy any debits arising in any of My accounts. I understand that I have the option of liquidating the balance of my DLD Program funds and either keeping them or returning the proceeds to My account. I have chosen this option in full understanding of the alternatives available to Me as well as the cost, benefits and risks of this selection and the alternatives.
27. **Fees and Charges.** I understand that there are charges for commissions and fees for executing buy and sell orders and for other services provided under this Agreement. I agree to pay such commissions and fees at the then prevailing rate. I acknowledge that the prevailing rate of commissions and fees may change and that change may occur without notice. I agree to be bound by such changes. I specifically agree to pay a reasonable rate of interest on the principal amount of any debit balance carried with respect to the account. Interest due on the account is payable on demand. In the case of any stock borrow I request, I understand and agree that Axos Clearing may charge Me borrow rates that it determines in its sole discretion and which Axos Clearing will disclose upon request to My Introducing Broker Dealer. I also agree to pay such expenses incurred by You in connection with collection of any unpaid balance due on My accounts, including, but not limited to, attorney's fees allowed by law.
28. **Prohibition on Freeriding.** In a cash account, a customer must pay for the purchase of a security before selling it. If a customer buys and sells a security before paying for it, the customer is engaging in an activity that is prohibited by federal regulations and which is called freeriding. Accordingly, I understand and agree that if I purchase securities in a cash account and sell them before payment is received by Axos Clearing, Axos Clearing will place that account on restricted status for a period of 90 calendar days following the trade date for a first offense, 180 days for a second offense, and 1 year for a third offense, or place other restrictions as required or permitted by law or regulation. During any period of restriction, unless My cash account contains funds in advance of the trade sufficient to pay for any new purchase in full, I agree that I will not be permitted to purchase or sell any new securities in that account. I agree that Axos Clearing will cancel or remove any trades from My cash account that are made in violation of these or any other legal or regulatory prohibitions on freeriding. Axos Clearing and I agree that nothing stated in this section constitutes a modification of any laws or regulations to which Axos Clearing and I are subject.
29. **Arbitration.**
- The following general provisions apply to all arbitrations pursuant to this section:**
    - All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.**
    - Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.**
    - Pre-arbitration discovery is generally more limited than and different from court proceedings. The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.**

# Axos Clearing Insured Deposit Program — Summary of Terms and Conditions

## Program Summary

The Axos Clearing Insured Deposit Program ("The Program") provides a cash sweep capability for customers. Under The Program provided by Axos Clearing LLC ("Axos Clearing", "The Firm", "We", or "Us") and selected by your Introducing Broker Dealer and administered by a third party selected by the Firm ("Program Administrator"), your uninvested cash balances in eligible accounts will be automatically deposited into an interest-bearing Federal Deposit Insurance Corporation ("FDIC") insured deposit account at one or more of the banks or depository institutions participating in The Program, collectively called "Program Banks."

Your uninvested cash balances are deposited with a network of Program Banks in a manner designed to provide you with a maximum deposit insurance potentially in excess of the current FDIC limits (The Firm's current limits are available at [www.axosclearing.com](http://www.axosclearing.com)). A separate account for the benefit of Program participants will be established at each of The Program Banks for deposit in The Program (the "Deposit Accounts"). Once your funds in a Deposit Account at any of the individual Program Banks reach 95% of the applicable FDIC insurance limit, any additional funds will be deposited at another Program Bank. The Deposit Accounts will be insured by the FDIC within certain applicable limits. FDIC insurance will not cover amounts over the applicable maximum insurance limit that you have on deposit with any particular Program Bank.

All activity with respect to your accounts will appear on your periodic account statement, including the total of your opening and closing account balances in The Program and a breakdown of your bank deposit balance at each individual Program Bank at which you have deposits. If you maintain a separate account at a Program Bank outside of The Program, you are responsible for monitoring the total amount of deposits that you have with The Program Bank to determine the extent of deposit insurance coverage available to you. The total amount of FDIC insurance coverage may change at any time.

The Program is your default sweep option for available cash in your eligible accounts. By your participation in The Program, you acknowledge that you have received and carefully read these Terms and Conditions. If you have any questions about any of the provisions of these Terms and Conditions, please contact your Introducing Broker Dealer.

The Program should not be viewed as a long-term investment option. If you desire to maintain invested cash balances for other than a short-term period and/or are seeking the highest yields currently available in the market, please contact your Introducing Broker Dealer to discuss investment options that may be available outside of The Program to help maximize your return potential consistent with your investment objectives, risk tolerance and liquidity needs. Please keep in mind that such outside investment options may not be FDIC insured and may not include the automatic sweep features included in The Program.

As provided in your account agreement with your Introducing Broker Dealer and the Customer Agreement, The Firm is the carrier of your brokerage account as clearing broker pursuant to a clearing agreement with your Introducing Broker Dealer. As clearing broker, The Firm provides certain administrative services in connection with The Program. The services rendered by The Firm in connection with The Program are not intended to create a joint venture, partnership, or other form of business organization of any kind with any other party. The Firm shall not be responsible or liable for any acts or omissions of your Introducing Broker Dealer, any Program Bank, or their respective employees. The Firm provides no advice regarding The Program, nor does The Firm give advice or offer any opinion with respect to the suitability of any transaction or order in connection with your brokerage account. Neither your Introducing Broker Dealer nor any Program Bank is acting as the agent of The Firm. You agree that you will not hold The Firm, its affiliates, and its officers, directors, and agents liable in connection with any transactions related to The Program.

## Differences Between Axos Clearing Insured Deposit (DLD) Program and Holding Deposits in a Cash Account

The Program and cash balances are subject to differing risks and account protection. Cash balances are not bank accounts and not subject to FDIC insurance protection. The Program is covered by FDIC. Deposits in The Program equal to or less than the maximum FDIC deposit insurance limit are insured against the risk of a Program Bank's failure.

## FDIC Coverage and Limitations

Upon deposit into The Program, your deposits are insured by the FDIC, an independent agency of the federal government backed with the full faith and credit of the U.S. Government, up to the current FDIC limit per depositor for each category of legal ownership. To provide potential additional coverage, The Program uses a network of Program Banks in a manner designed to provide you with a maximum deposit insurance limit in excess of the current FDIC limits per depositor for each category of legal ownership. If the amounts deposited in The Program exceed the maximum deposit insurance limit, the excess funds will be deposited at a Program Bank and not be insured by the FDIC. If you have or make deposits on your own with a Program Bank, neither Axos Clearing nor your Introducing Broker Dealer will be aware of these deposits and they may not be insured.

Additional FDIC insurance coverage may also apply to certain categories of legal ownership. For additional information and any other questions about FDIC Deposit Insurance coverage, you may wish to seek advice from your own legal advisor. You may also obtain information by contacting the FDIC, Division of Supervision and Consumer Protection, by letter (550 17th Street, N.W., Washington, D.C. 20429), by phone (877-275-3342, 800-925-4618 (TDD)), by e-mail ([dcinternet@fdic.gov](mailto:dcinternet@fdic.gov)), or by accessing the FDIC Web site at [www.fdic.gov](http://www.fdic.gov).

## Your Responsibility

You must monitor and determine the best sweep option for you under The Program. You may elect not to participate in The Program and instead periodically invest cash balances directly into investment options that may be available outside of The Program to help maximize your return potential consistent with your investment objectives, risk tolerance and liquidity needs.

You are responsible for monitoring the total amount of all deposits you have at each Program Bank for purposes of calculating your FDIC insurance coverage. Activity with respect to your funds in The Program, including The Program Banks in which your funds are invested and the interest rate paid to you, will appear on your periodic brokerage account statement. If your total funds on deposit at any individual Program Bank exceed the maximum deposit insurance limit, the FDIC will not insure your funds in excess of the limit.

## Interest

The Program Banks will pay interest on funds in The Program at a variable rate established periodically by The Firm based on prevailing market, economic and other business conditions. The Firm may change the interest rate at our discretion without notice to you. The Firm may establish a schedule of rates to be applied to accounts based on, among other things, the total value of household assets in your brokerage accounts. The asset tiers and interest rates may be changed by The Firm from time-to-time. Current interest rate information is available by contacting your Introducing Broker Dealer.

Interest on funds in The Program will accrue from the day funds are deposited by us into The Program up to, but not including, the day of withdrawal. The Program Banks will use the daily-balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. Interest will be compounded monthly and will be credited to your account on or about the 25th day of each month (or preceding business day if the 25th day is not a business day). You will receive a 1099-INT form from The Firm indicating the amount of interest paid to you.

## Fees

No direct fees will be assessed to you or deducted from your brokerage account with respect to The Program. We may, without notice, refuse any deposit, close any account or impose a fee, if your actions become administratively burdensome.

## Program Compensation

No direct fees will be assessed to you or deducted from your specified rate of return. Instead fees are collected from The Program Banks. The fee of the Program Administrator will be collected from The Program Banks in the form of fees collected in addition to interest paid on The Program. The Firm will receive a fee from the Program Administrator that varies depending on the balance in your account, the service plan you may be on and other factors. Although the actual fees are subject to change and vary depending on the tier and other factors (please see our website at [www.axosclearing.com](http://www.axosclearing.com) for the applicable rate structure), this fee currently is expected to range from .5% to 6.0%. This fee is subject to change and we may waive all or part of this fee. Other than applicable fees charged by us on a brokerage account, there will be no charge, fee or commission charged to your account with respect to The Program.

## Eligibility

The Program is available to individuals, certain non-profit organizations and to certain fiduciaries and trusts, provided that the beneficiaries are individuals or otherwise eligible. Accounts in the name of business entities including corporations, limited liability companies and partnerships are also eligible for The Program. Excluded are all plans subject to the Employee Retirement Income Security Act of 1974, as amended. Please contact your Introducing Broker Dealer if you are unsure if your account(s) are eligible.

## Deposits

Because The Program is your default sweep option for cash balances in your eligible account, unless you elect out of The Program you will have cash balances in your eligible account(s) automatically deposited in Deposit Accounts at The Program Banks. These Deposit Accounts will receive FDIC coverage up to The Program's maximum deposit insurance limit. There is no minimum initial deposit. Funds will be deposited into a Deposit Account under the following circumstances: (i) in the case of available cash balances resulting from the proceeds of securities sales, on the settlement date of the securities sale; and (ii) in the case of available cash balances resulting from non-trade-related credits (e.g., the receipt of dividend or interest payments or a deposit in the brokerage account), on the business day after receipt into your brokerage account of the non-trade-related credit. Funds deposited into a Deposit Account will begin earning interest from the day that they are received by The Program Bank. Your deposit will be in book entry form and, therefore, you will not receive a passbook or a certificate. Your uninvested cash balances will be deposited into a Settlement Account, which will allocate your deposits to any eligible Program Bank according to an order of priority established from time-to-time. Once your funds in a Deposit Account at any of the individual Program Banks reach 95% of the applicable FDIC insurance limit, any additional funds will be deposited at another Program Bank. You may exclude any Program Bank from being able to receive your uninvested cash balance at any time. For example, you may want to exclude any Program Bank at which you maintain balances (e.g. Certificates of Deposit, checking account deposits) which, when added to amounts in the Deposit Account, might exceed the maximum deposit insurance limits. This exclusion may be accomplished at the time of your initial deposit into The Program, or at any other time by contacting your Introducing Broker Dealer and may impact the overall FDIC coverage available to you through The Program. The list of Program Banks participating in The Program is available from your Introducing Broker Dealer. In addition, The Program Banks in which your Program balances were invested will be listed on your periodic account statement.

Program Banks may be added or removed from The Program. It is your responsibility to monitor your Program deposits with each Program Bank in order for you to determine the extent of insurance coverage available to you.

Deposit Accounts are established on an omnibus basis at each Program Bank, with records of ownership in a manner consistent with FDIC rules governing "pass through" deposit insurance. The Program Administrator also serves as a finder assisting in locating and negotiating deposit arrangements with Program Banks. The Firm, may at any time select a different Program Administrator or finder or the role in The Program of the Program Administrator or finder may be eliminated altogether.

## Withdrawals

All withdrawals necessary to satisfy debits in your brokerage accounts will be made by us. A debit will be created, for example, when you purchase securities or request withdrawal of funds from your brokerage account, when you write a check, or use other withdrawal methods (such as through an ACH). Checks written on your brokerage account are not drawn directly against the amounts deposited for you at any of The Program Banks, but the money is transferred back from The Program Banks to an intermediary bank and then to us, and then used to satisfy your debit through The Program. Withdrawals may not be made directly from The Program Banks, except through The Firm.

The funds necessary to satisfy debits in your securities account will be drawn from your account in the following order: (i) free credit balances in your brokerage account (if any); (ii) balances in your money fund (if any); and (iii) amounts in The Program Account.

## Electronic Funds Transfers

The only items processed through The Program are deposits from the brokerage account to The Program Banks, transfers among The Program Banks, and transfers back to the brokerage account from The Program Banks.

The Program does not allow electronic funds transfers, ATM access, check-writing, deposit, point-of-sale terminal access, pre-authorized payments to third parties, access by credit or debit card or ACH transfers directly from The Program Bank Deposit Accounts.

## Program Deposit Account Error Resolution Notice

Please contact your Introducing Broker Dealer as soon as possible if you think The Program Deposit Account portion of your statement is wrong or if you need more information about a transfer listed on the statement. Your Introducing Broker Dealer must hear from you no later than fifteen (15) business days after the date of the statement on which the claimed problem or error first appeared. In making that contact you must:

- (1) Provide your name and account number (if any);
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
- (3) Provide the dollar amount of the suspected error.

If you provide this information orally, you may be required to send your complaint or question in writing within fifteen (15) business days.

It will be determined whether an error occurred within fifteen (15) business days after hearing from you and any actual error will be promptly corrected. If more time is needed, however, it may take up to forty-five (45) business days to investigate your complaint or question. In such case, it will be requested that The Program Bank credit your Program Deposit Account within fifteen (15) business days for the amount you think is in error, so that you will have the use of the money during the time it takes to complete the investigation. If you are asked to put your complaint or question in writing and your Introducing Broker Dealer does not receive it within fifteen (15) business days, The Program Bank may not credit your Program deposit account.

For errors involving new Program Deposit Accounts, it may take up to ninety (90) business days to investigate your complaint or question. For new Program Deposit Accounts, The Program Bank may take up to twenty (20) business days to credit your Program Deposit Account for the amount you think is in error.

Your Introducing Broker Dealer will contact you with the results within three (3) business days after a investigation is completed. If it is determined that there was no error, a written explanation will be provided. You may ask for copies of the documents used in the investigation.

**Account Information**

Activity with respect to your funds in The Program, including The Program Banks in which your funds are invested and the interest rate paid to you, will appear on your periodic brokerage account statement. For each statement period, your brokerage account statement will reflect: (i) all deposits to and withdrawals from your Program account; (ii) the opening and closing balances of your Program account; (iii) interest earned on your Program account balances; and (iv) the detail of balances held in your Program account at each Program Bank.

**Summary of Certain Relationships**

All Program Banks in The Program are depository institutions duly chartered under the laws of the United States or a State thereof, the deposits of which are insured by the FDIC. Your Introducing Broker Dealer and The Firm are broker-dealers registered with the U.S. Securities and Exchange Commission ("SEC") and the Financial Industry Regulatory Authority ("FINRA"). Your Introducing Broker Dealer and The Firm are not banks. Deposit Accounts are held by the respective Program Banks.

Pursuant to the clearing agreement between Your Introducing Broker Dealer and The Firm and acting on the instructions of your Introducing Broker Dealer, The Firm will act as exclusive custodian and agent with respect to all transactions related to The Program. The Deposit Accounts established for The Program will be evidenced by a book entry on the account records of each such Program Bank. The Firm and its agents will maintain records of your interest in each Deposit Account. No evidence of ownership, such as a passbook or certificate, will be issued to you.

All questions regarding your funds in each Deposit Account should be directed to your Introducing Broker Dealer and not The Program Banks. No Program Bank will accept any instructions concerning your deposits in a Program Bank through The Program unless such instructions are transmitted by The Firm or an authorized agent on its behalf.

The Firm will assume the responsibility and the risk of loss for any of your funds transferred from The Program Banks that have been delivered by you to your Introducing Broker Dealer. Until the funds have been received in the Settlement Account maintained at a designated bank (the "Settlement Bank"), withdrawals will be deemed paid by a particular Program Bank when such funds are transmitted by the Program Bank to the Settlement Account. The Program Bank will be released from all liability for such withdrawn funds once the Program Bank delivers those funds to the Settlement Account. The Program Banks are not responsible for the actions of the Program Administrator or for the actions of your Introducing Broker Dealer or The Firm, with respect to The Program or otherwise. Each Program Bank deposit account is an obligation of The Program Bank and is not directly or indirectly an obligation of The Firm. Program Banks are selected by The Firm and Program Banks included in The Program are subject to change at any time. You can obtain publicly available financial information concerning any or all of The Program Banks at [www.FDIC.gov](http://www.FDIC.gov) or by contacting the FDIC Public Information Center by mail at 801 17th Street, N.W. Room 100, Washington DC 20434 or by phone at 800-276-6003.

The Firm does not guarantee in any way the financial condition of any Program Bank or the accuracy of any publicly available financial information concerning a Program Bank. You may exclude deposits of any Program Bank from inclusion in your brokerage account by contacting your Introducing Broker Dealer. By your continued use of The Program, you agree to the terms provided herein.

**Waiver of Confidentiality**

You expressly give consent for federal or state regulators to access your customer account information for audit and review purposes.

**Changes to the Program**

Your Introducing Broker Dealer or The Firm may modify or cancel The Program at any time, which may result in changing the sweep option for your account. If we make any change, there is no guarantee that such change will provide an equal or greater rate of return to you on your uninvested cash balances during any given period, and the rate of return may be lower. You will receive advance notice of any change that results in changing the sweep option for your account. Unless you object within the time period specified, we will transfer the balances from your prior sweep into any new sweep.

**Relationships and Your Privacy**

Although your Introducing Broker Dealer, The Firm, and The Program Banks may share certain information about you and your accounts, information shared with Program Banks will be handled in accordance with the privacy policies of The Firm and your Introducing Broker Dealer.

**Inactive Accounts**

The Firm may be required by law to turn over (escheat) funds in your Program Deposit accounts to a state, typically your state of residence, based on account inactivity for a certain time period established by applicable state law. If funds are remitted to the state, you may file a claim with the state to recover the funds within the time periods established by state law.

**Transferability**

Your Program Bank deposit accounts may not be transferred by you to another owner except by a change in ownership of your brokerage account. A transfer that occurs due to death, incompetence, marriage, divorce, attachment or otherwise by operation of law, shall not be binding until sufficient documentation has been received.

**Closing of Account**

If you close or The Firm closes your brokerage account, your associated Program Bank deposit accounts will also be closed and the funds in your Program Bank deposit accounts will be distributed out through your brokerage account.

**Right of Set-Off**

Under the terms of your Customer Agreement, funds in your Program Bank deposit accounts may be charged or set-off against indebtedness or obligations you have. For further information on such indebtedness or obligations, please review your Customer Agreement.

## **CAMBRIA CAPITAL LLC's Business Continuity Planning**

Cambria Capital, LLC has developed a Business Continuity Plan on how we will respond to events that significantly disrupt our business. Since the timing and impact of disasters and disruptions is unpredictable, we will have to be flexible in responding to actual events as they occur. With that in mind, we are providing you with this information on our business continuity plan.

**Contacting Us – If after a significant business disruption** you cannot contact us as you usually do at 801-320-9606 or at 877-226-0477, you should contact the clearing firm for your account for instructions on how it may obtain prompt access to customer funds and securities, enter and process orders and any other trade-related items.

Vison Financial Markets, LLC, at 877-836-3949 or [www.vfmarkets.com](http://www.vfmarkets.com)

**Our Business Continuity Plan** – We plan to quickly recover and resume business operations after a significant business disruption and respond by safeguarding our employees and property, making a financial and operational assessment, protecting the firm's books and records, and allowing our customers to transact business. In short, our business continuity plan is designed to permit our firm to resume operations as quickly as possible, given the scope and severity of the significant business disruption.

Our business continuity plan addresses: data back up and recovery; all mission critical systems; financial and operational assessments; alternative communications with customers, employees, and regulators; alternate physical location of employees; critical supplier, contractor, bank and counter-party impact; regulatory reporting; and assuring our customers prompt access to their funds and securities if we are unable to continue our business.

Our clearing firms, Apex Clearing, LLC, Axos Clearing, LLC, Folio Investments, Inc and Vision Financial Markets, LLC, back up our important records in a geographically separate area. While every emergency situation poses unique problems based on external factors, such as time of day and the severity of the disruption, our clearing firm has advised us that its objective is to restore its own operations and be able to complete existing transactions and accept new transactions and payments within 4 to 12 hours. Your orders and requests for funds and securities could be delayed during this period.

**Varying Disruptions** – Significant business disruptions can vary in their scope, such as only our firm, a single building housing our firm, the business district where our firm is located, the city where we are located, or the whole region. Within each of these areas, the severity of the disruption can also vary from minimal to severe. In a disruption to only our firm or a building housing our firm, we will transfer our operations to a local site when needed and expect to recover and resume business within 4 to 12 hours. In a disruption affecting our business district, city, or region, we will transfer our operations to a site outside of the affected area, and recover and resume business within 4 to 12 hours. In either situation, we plan to continue in business, and transfer operations to our clearing firm if necessary, and notify you through our customer emergency hotline as to how to contact us. If the significant business disruption is so severe that it prevents us from remaining in business, we will assure our customer's prompt access to their funds and securities.

**For more information** – If you have questions about our business continuity planning, you can contact us at 877-226-0477.

### **Anti-Money Laundering Requirements**

#### **The USA Patriot Act**

The USA Patriot Act, signed into law by President Bush on October 26, 2001, was formed in response to terrorist activities against the United States. In expanding the authority of American law enforcement for the stated purpose of fighting terrorism in the United States, the Act imposes new anti-money laundering requirements on brokerage firms and financial institutions. As of April 24, 2002, all brokerage firms are required to have comprehensive, compliant anti-money laundering programs. We make every effort to implement the USA Patriot Act. We would like to help you understand these efforts and to provide you with some information about money laundering and the implementation of the USA Patriot Act.

#### **Money laundering**

Money laundering is the practice of engaging in specific financial transactions in order to conceal the identity, source, and/or destination of money, often to make it appear that the funds come from legitimate activities. No longer exclusive to organized crime, money laundering occurs in connection with a wide variety of crimes, including drug trafficking, the sale of illegal arms, robbery, fraud, racketeering, and is a major concern in the battle against terrorists. Money laundering activities are a global dilemma, purported to reach up to \$1 trillion a year. The use of the U.S. financial system by criminals would taint our financial markets.

**How can we help to eliminate money laundering?**

To comply with the USA Patriot Act, our anti-money laundering program must designate a special compliance officer, conduct independent audits, set up employee training, and establish policies and procedures to detect and report suspicious transactions. It may therefore be necessary to ask you to provide certain documentation or other information before we can open an account or effect any transactions on your behalf. We thank you for your patience and hope that you will support us in our efforts to deny terrorist groups access to America's financial system.
